Dear Readers,

As editor of the 1980 Cathedral Chimes Yearbook, I would like to take this opportunity to thank the staff for its outstanding contributions to the book. I would especially like to thank Bro. Donald our yearbook moderator. Special thanks go to all the Brothers, faculty, and students who cooperated with us. I would also like to thank all those who sponsored

us and contributed to the production of the 1980 Cathedral Chimes.

I don't think the student body realizes the long hours and hard work that went into putting this yearbook together but we hope that you appreciate and take pride in this yearbook.

This year we tried to cover the events of 1979-80 and the life of our school as accurately, honestly, and completely as possible. We hope this was done in a way that is informative, memorable, interesting and enjoyable to our readers. We tried not to show any favoritism for any individual or activity. We tried to increase the amount of copy to fulfill the yearbook's responsibility as a reference book for later use.

Sincerely,

Cesar Yanez

DEDICATION

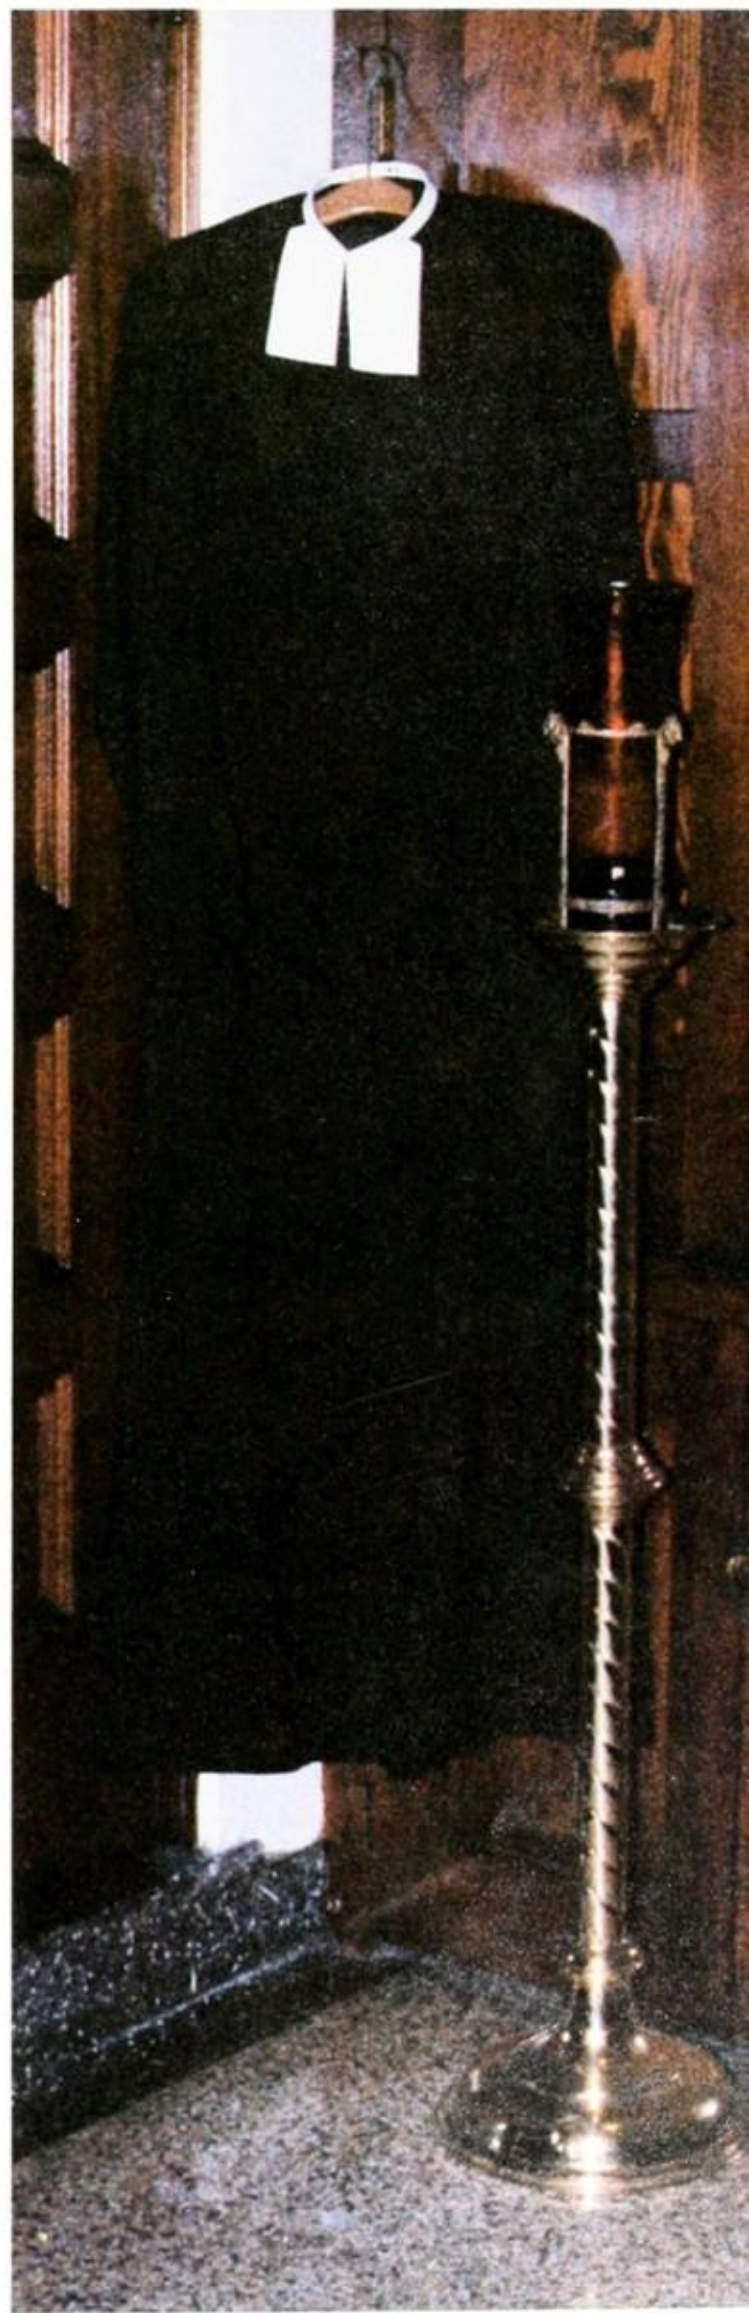

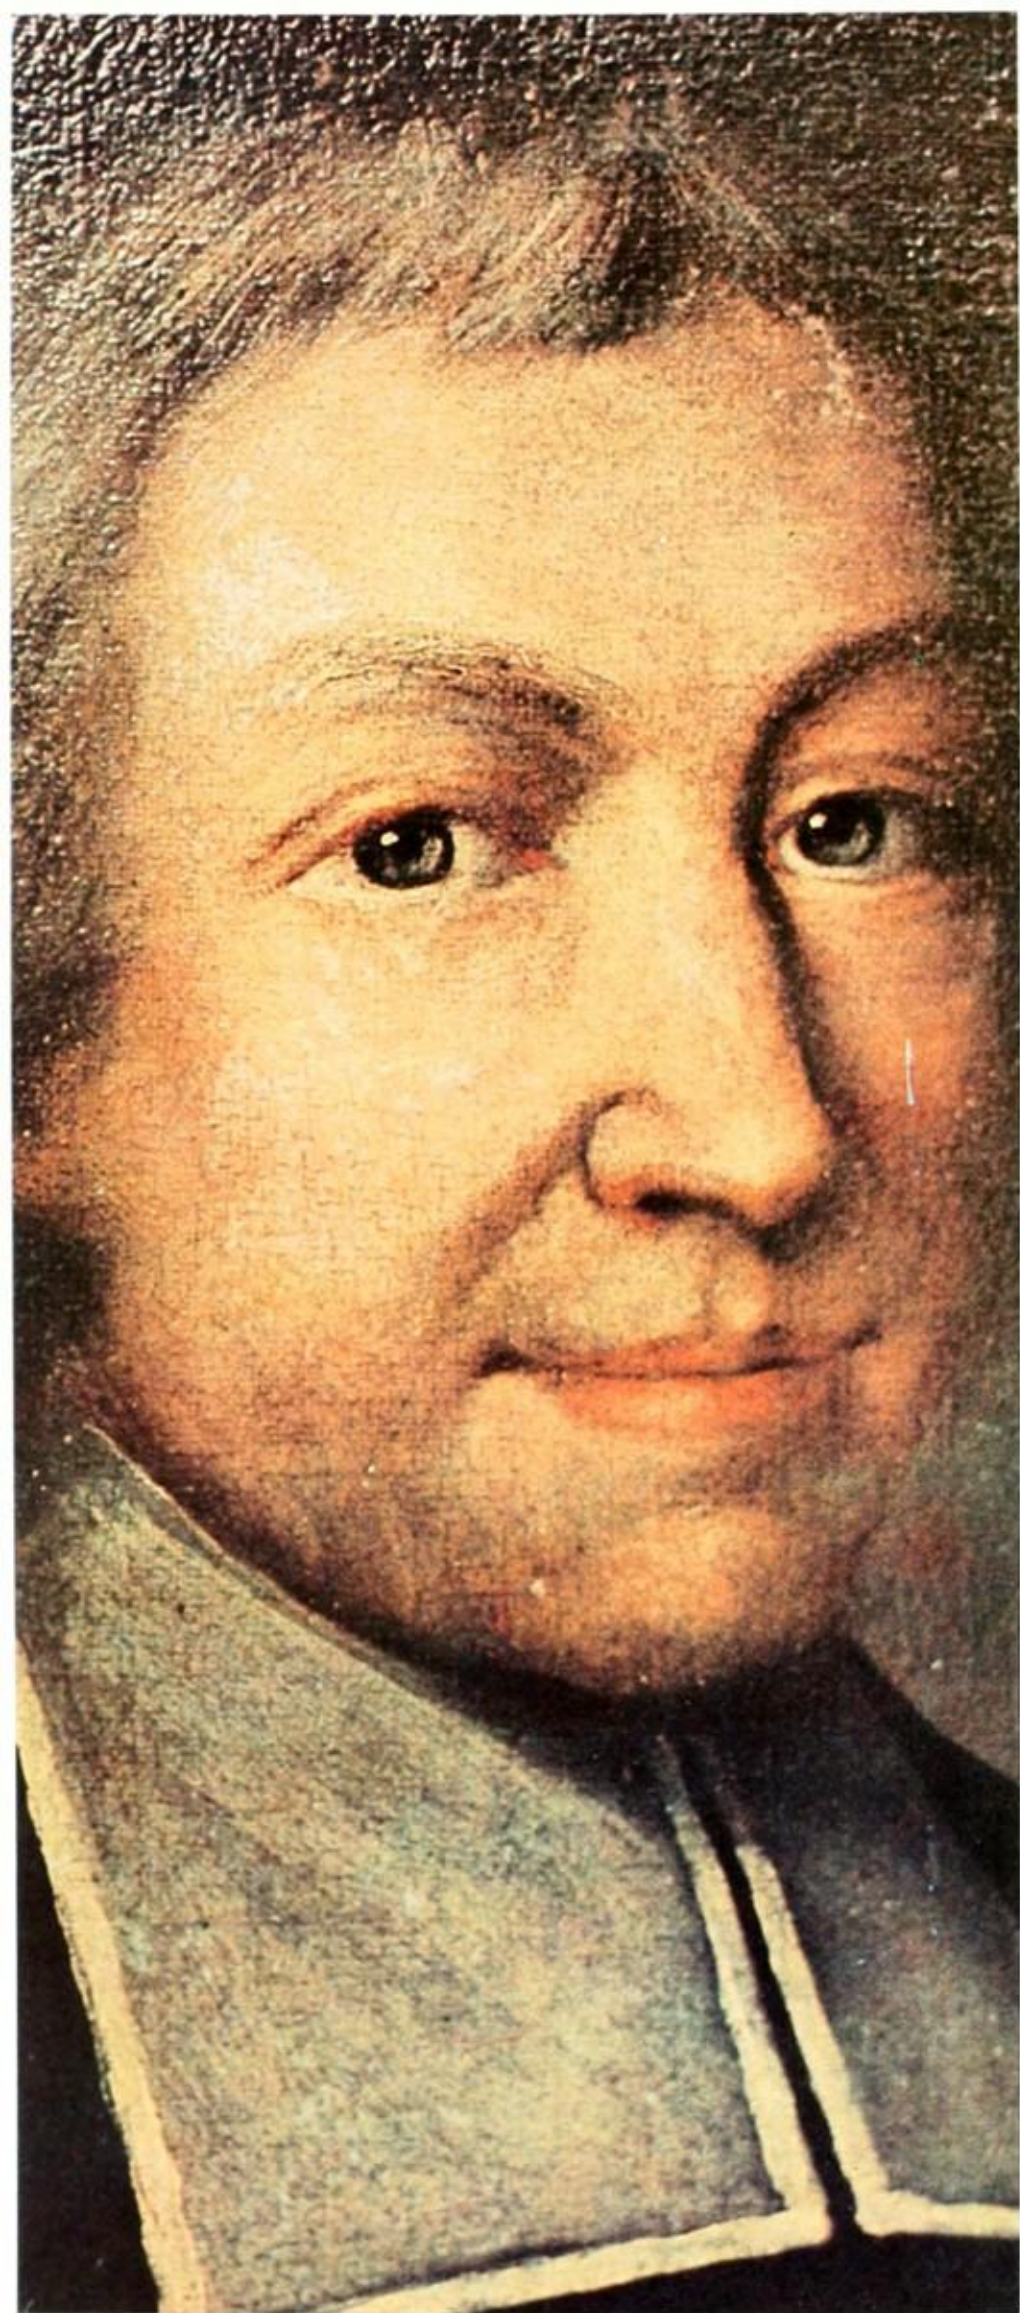

his year, from May 15, 1980 to May 15, 1981 we celebrate the three hundredth anniversary of the institute of the Brothers of the Christian Schools. The Brothers have endured the test of time because of dedication, a sense of purpose and the spirit of love. These characteristics have served as a foundation of the philosophy

established by St. John Baptist De La Salle, founder of the Brothers of the christian schools.

The spirit of La Salle continues to live in the christian schools and Cathedral High School. La Salle's philosophy was based on four virtues to be taken by the Brothers: humility, patience, submission, and love of poverty. These virtues were the tools which La Salle used to dedicate himself to the poor. This dedication to the poor brought him to his life's goal: to enrich the moral and intellectual character of the poor. By providing a good education and exemplifying the virtues of Christ, St. La Salle and, today the Brothers, achieve these goals.

St. La Salle's ideals were that of a great humanitarian, but his efforts of self-sacrifice made him more than that. The degree of self-sacrifice is immeasurable when one recognizes the society he lived in. This was the french society of the late 1700's which was dominated by the aristocratic class, nonetheless, La Salle believed that the poor deserved a better life and eternal happiness.

The spirit of love, born out La Salle's concern for the poor and his efforts to help them is now present all over the world. This spirit has continuously flourished over three centuries, and the students of Cathedral have been witnesses to this kind of spirit for over fifty years. We dedicate the 1980 Chimes yearbook to St. La Salle and to all the Brothers of the Christian schools around the world, but most especially we dedicate the 1980 Chimes to those Brothers who have brought the spirit of love to Cathedral High School for the last fifty five years.

n the year 1680 in Rheims, France, St. John Baptist De La Salle gathered a small band of men who dedicated themselves as a Religious Institute to the Christian education of the children of the poor and the working class. Three hundred years later, in a spirit of faith in God and zeal for the Christian education of youth, that same institute of the Brothers of the Christian Schools continues on every continent, the educational work begun by their Holy Founder. The Christian Brothers first came to the East coast of the United States in 1845 and to California in 1868. Cathedral High School, founded in 1925, is part of a three hundred year tradition of Catholic education in the spirit of St. John Baptist De La Salle.

uring the past four years the Class of 1980 has grown in many ways. As Freshmen we were a strong class. Spirited, but lost in the crowd. As Sophomores we made ourselves known. We won the Spirit Award Trophy and

various other events. Before we knew it, our Junior year had crept upon us. It was in that year that most of the changes took place. We were no longer immature teens, but we had started becoming what we wanted to become.

The Brothers and Faculty have prepared us for our future years. Because of their guidance and support, so vital to us, we will be able to make important decisions. We hope we will succeed.

Someday we will look back and wonder where all the time went. We will remember the good times and the bad, but mostly, we will appreciate the friends we made along the way.

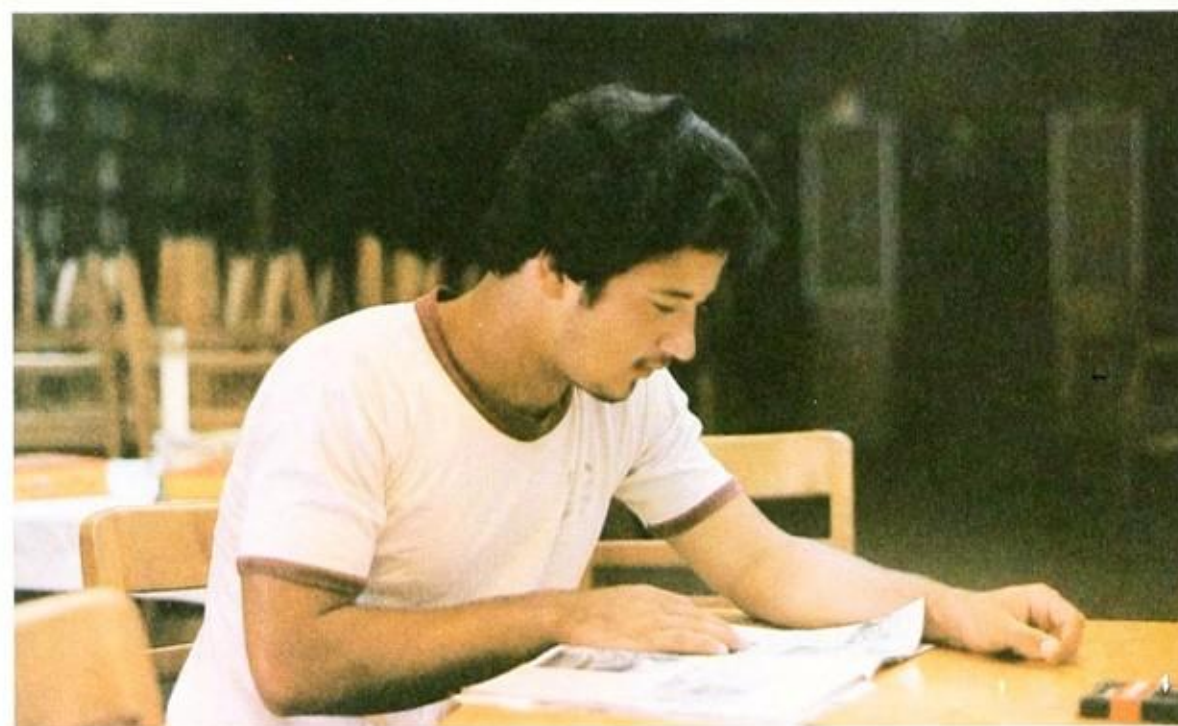

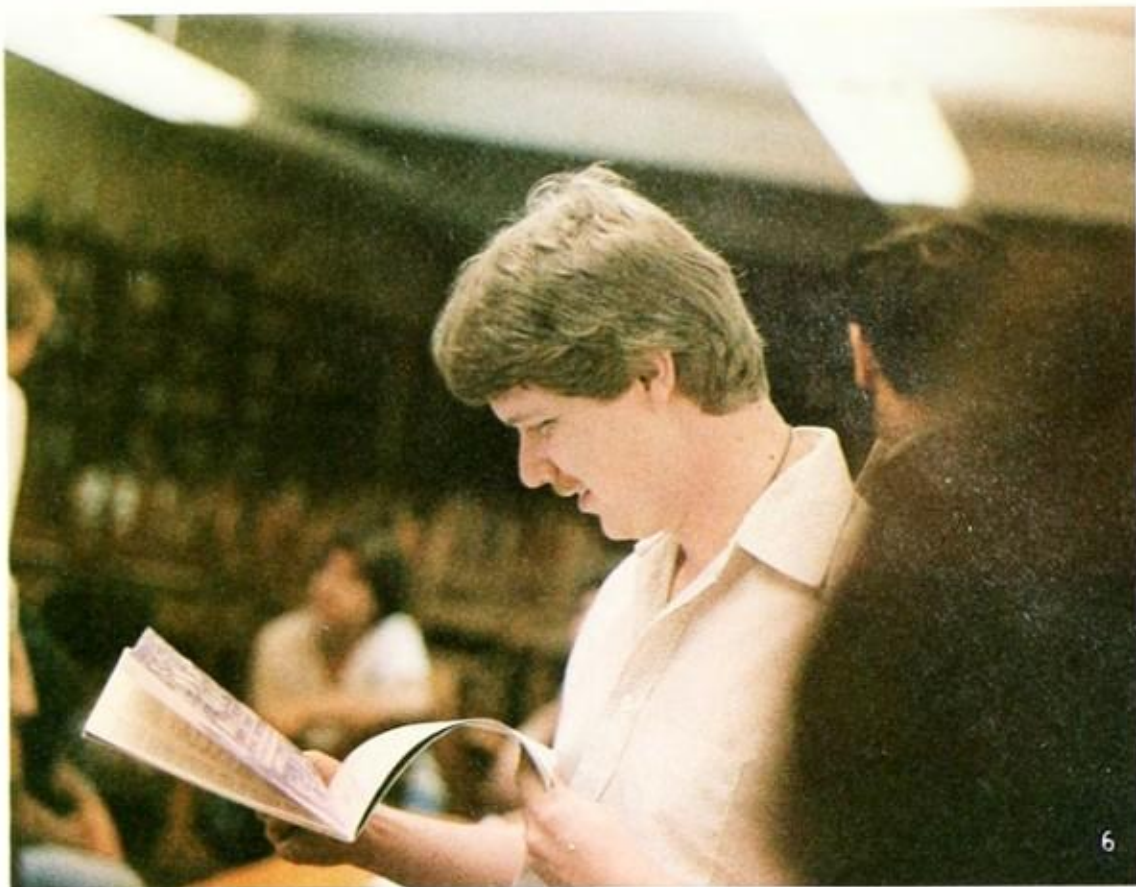

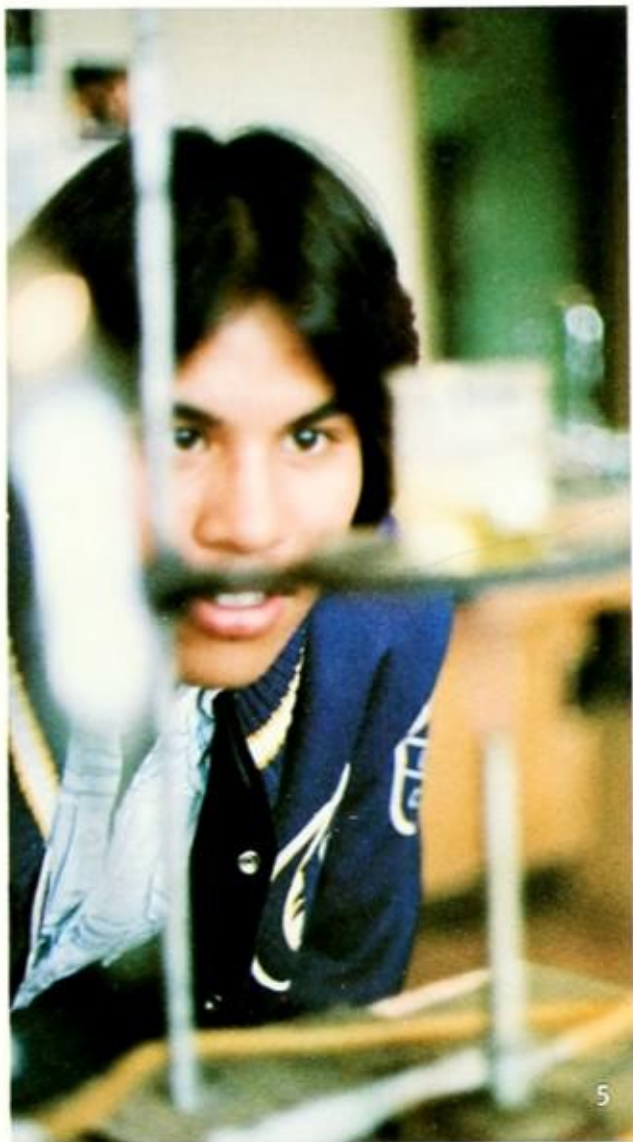

Studies never come easy to most of us. With the various activities in which we could take part pulling us in all directions it seems we sometimes forget our "academics." But, in the end we learn, and we learn well. Moreover, in time we discover that the single most important thing we have learned is to grow spiritually and academically along with the people who surround us. So, after four years we leave and are confident that we are enriched, that we can communicate and that our horizons are open to the future.

he Athletic Department of Cathedral High School provides the opportunity for students of different interests and talents to participate in a variety of organized sports: cross country, football, soccer, basketball, baseball, track, and tennis. It is our hope that students who have participated in sports here have learned new skills and perfected old ones; that they have learned to sacrifice their time and their will for the common cause; and, finally, that they have successfully put these to the test on the field. We most of all hope that, you, the student have learned to treat both victory and defeat in the same manner. The importance of the game is not winning, but participating; the essential is not conquering, but playing well.

Each year numerous traditional activities seem to come and go effortlessly. Frosh Week, Homecoming, the Christmas Midnight Mass, the dances and the activities appear in their regular places. Few realize the long hours of planning and work which are required for the simplest of activities. The Cathedral Chimes salutes those who have given so generously of themselves without display or public credit. Their generosity makes Cathedral great.

THE BEGINNING OF A NEW DECADE NINETEEN EIGHTY

What can we say about St. La Salle especially on this 300th anniversary of the Christian Brothers? This dedication could be a very long one but we shall only say that we have one word that will express our gratitude: "Admiration". Now the fruits of his efforts are producing results. We see these not only in the buildings or in the dedication of the Brothers but also in ourselves.

The question that remains is whether we shall be able to keep this spirit alive and transmit it, too. Our answer comes without hesitation: "Yes!". Therefore, for all these reasons, Brothers and Brother La Salle, step forward and receive this dedication.

Seniors, this was our last year at Cathedral and a time for deep thought about our goals for the future. The following few words are appropriate and could give you needed encouragement, Cathedral wishes you the best of luck and hopes to see you return someday as fulfilled men.

These Seniors have had four years of fighting with books and who knows what else! Their courses were intended to complete them as persons, and to help them find the meaning of life, not just fill them with words. Cathedral has one of the best curriculums in all California. This is the reason for all that homework! Hey? Freshmen and all of you! You did not know that? Now you do, so let us try to do better.

Activities? These Seniors will remember the things they helped to organize and the dances they attended. This Senior class sponsored various activities throughout the year. This should serve as an encouragement to all classes to enrich all aspects of their lives now and in the future.

Sports! source of growth for body and spirit. The Seniors who participated in sports discovered the deeper meaning of team participation and team unity while not losing sight of their individual growth. The lesson is obvious and can be applied to all of life: the strength of the team depends on the effort put in by each individual.

When one thinks about all of the sports and other activities at Cathedral one has also to think about all the organizations which give added life to those various activities. Hopefully with the coming generations the organizations will grow even more, not only in numbers but in opportunities for self-expression from the student body. In closing therefore, let us dedicate ourselves to the improvement and perfection of our minds, bodies and souls in the spirit of the St. John Baptist de La Salle as passed on to us through the Brothers and faculty of Cathedral High School.

With familiarity we greet the Community of
Cathedral High School.

Our bonds were forged even before most of
you were begotten. A garden of sleep and tranquility was transformed
by the vigor of young manhood into a sea of life fresh with promise. A
new people striving for achievement, learning the discipline of life, the
dignity of man and his noble destiny. Now the rigorous daily exercises
tasting laughter and tears, success and failure, a new people called The
Phantoms with a vision centered in Christ.

With humility and gratitude we greet the
Brothers of the Christian Schools, our brothers in the Lord.

A public tribute is especially appropriate
now as they recall their beginnings 300 years ago. In our time and in
our midst they have modeled a constant and generous servanthood.

"May the God of peace make you perfect in
holiness. May He preserve you whole and entire, spirit, soul and body,
irreproachable at the coming of Our Lord Jesus Christ, He who calls us
is trustworthy, therefore He will do it. My brothers, pray for us too."

To The Cathedral Studentbody:

This school year begins the celebration of the 300th anniversary of the founding of the Christian Brothers by St. John Baptist de La Salle. St. La Salle saw the need of the times to provide an education to the young in order to assist in the salvation of their souls and to prepare them to live productive and peaceful lives. He was a pioneer and innovator in the field of education.

Cathedral High School and its faculty by its philosophy and practices attempt to carry out the spirit and goals of St. La Salle. Cathedral attempts to provide the atmosphere and a course of studies in religion that helps to develop our students into strong Catholic young men. Our academic program is designed to allow our graduates to take advantage of the educational opportunities available on the college level. It is our belief that by continuing your education after high school, you will be able to meet the challenges of a new century and aid in the solution of problems that still plague our society.

Over many years--from the 1920's into the new decade of the 1980's, Cathedral has been known for its spirit and the loyalty of its students. It is the students of Cathedral with their good sportsmanship and high standard of conduct who have "over all the land spread your name". You are the heart and the soul of Cathedral.

The present school year has seen improvements and changes at Cathedral. From the refurbishing of the library by the Archdiocese, to the revival of the retreat program, the introduction of the evening marriage course for seniors, and the fine arts elective, Cathedral continues to grow.

This year has seen strong student interest and support in the various projects of student government and organizations. The Red Cross Blood Drive, the funds raised for Toys for Tots by the Christmas tree sale, and the donations made to assist needy families during Thanksgiving witness to your generosity and concern.

The dedication and hard work of our athletic teams are another testimony to the spirit and courage of our studentbody. The support those teams have been given has been strong.

Throughout all of our efforts we will continue to grow and prosper with your cooperation and enthusiasm. And in all we do we must remember that God is our strength and our salvation.

ADMINISTRATION

N

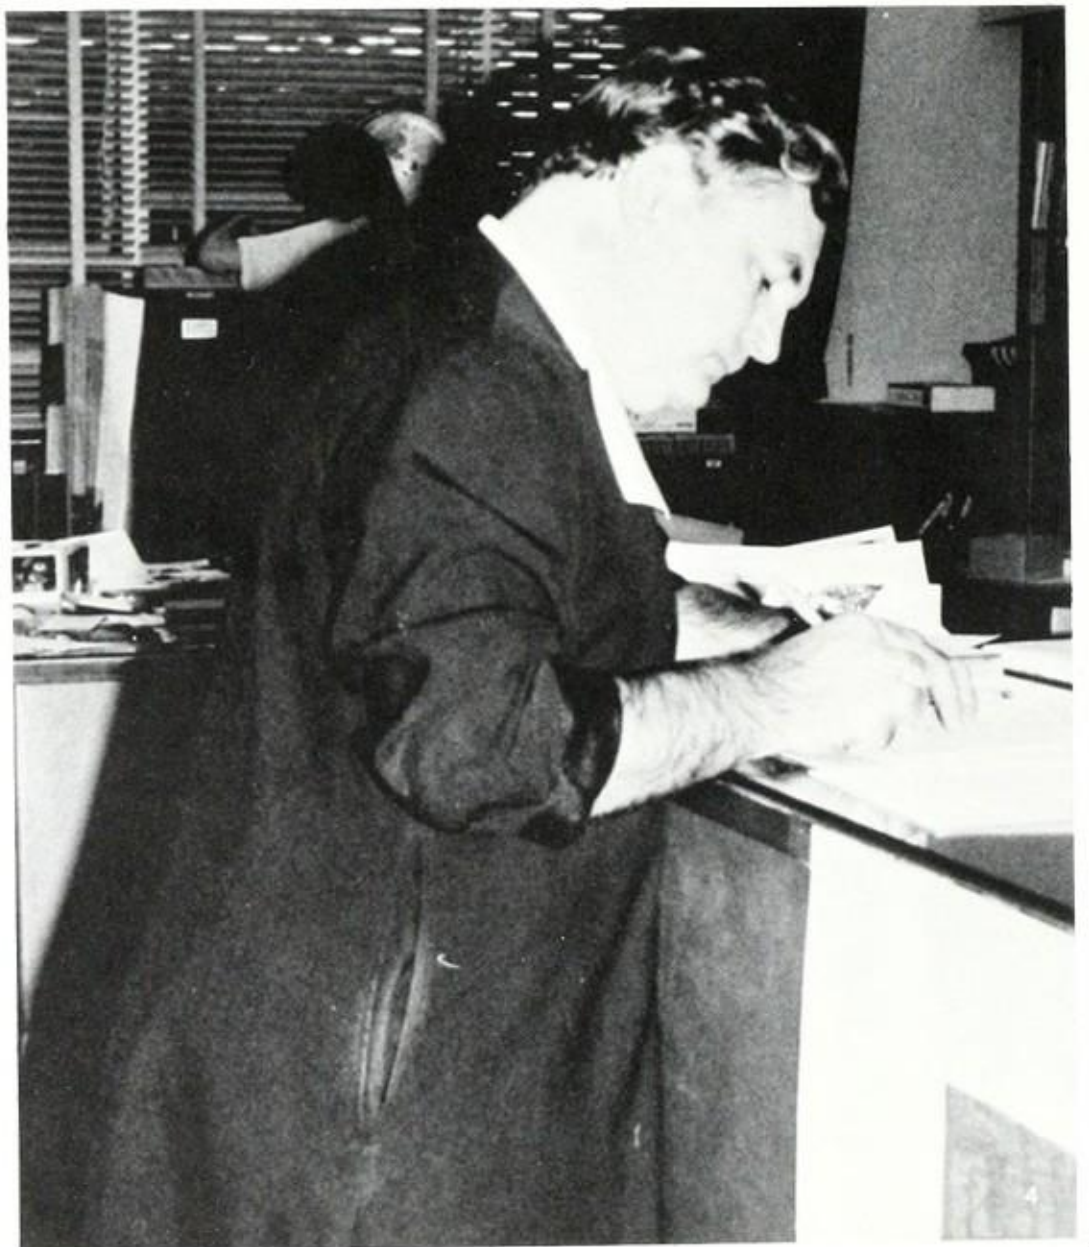

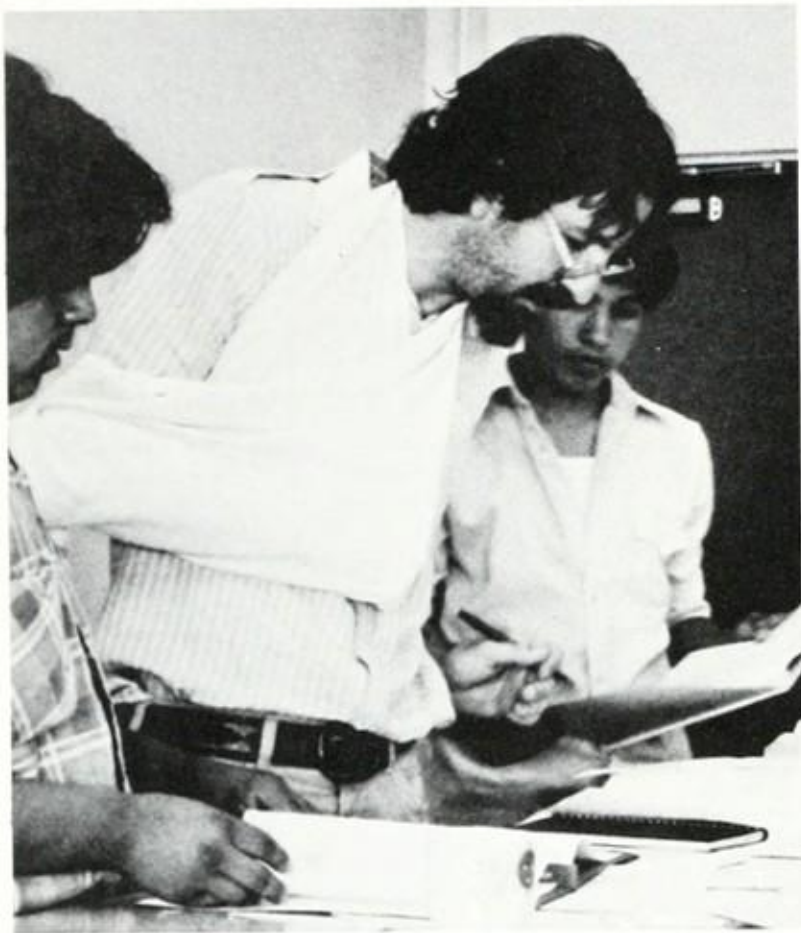

o school can run itself. The job of administrator is a difficult one whose importance is frequently forgotten. The role of the administrator is to see to it that all of the policies of the school are faithfully and fairly followed. Cathedral is lucky that this ideal is an everyday reality. Every member of the Cathedral community is better off because of the dedication and hard work of its administrators.

1. Bro. James Meegan: 13 years at Cathedral, 9 as a Brother; Principal, World History, English 4, Parents' Club Moderator, Alumni Assoc. He enjoys stamp collecting, gardening and literature.
2. Bro. Christopher Bassen, FSC: At CHS since 1965 except for one year of study; Vice-Principal/Dean of Students, Physics, Religion 2. He likes the students at CHS because of their basic honesty and goodwill. His hobbies are birdwatching, models and computer work.
3. Bro. Edmond Larouche: 8 years at Cathedral; Vice-Principal/Dean of Studies/Director of Finances, Theology 2. He enjoys sleeping, eating, being a card shark and listening to Mr. Fish lecture.

6. Bro. Anthony Lenz: 11 years at Cathedral, Director of Athletics, Algebra, Trigonometry/Calculus. He loves brotherhood, tennis, photography and guitar, in that order.

FACULTY

very school has its special atmosphere and character. Many factors contribute to this, but

undoubtedly the most important is the communication that takes place between everyone on campus. Faculty members and staff enjoy working here because of the spirit of cooperation and honesty they find. This reality, linked with the Cathedral student's desire to learn and grow, makes us all richer and happier.

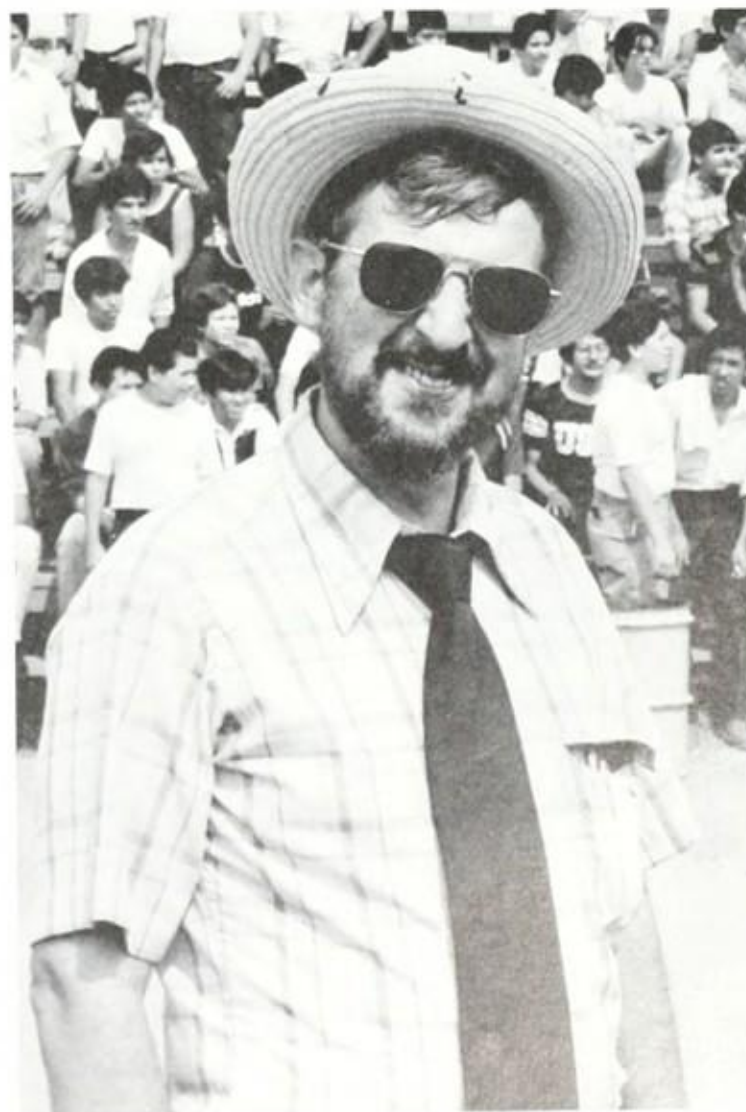

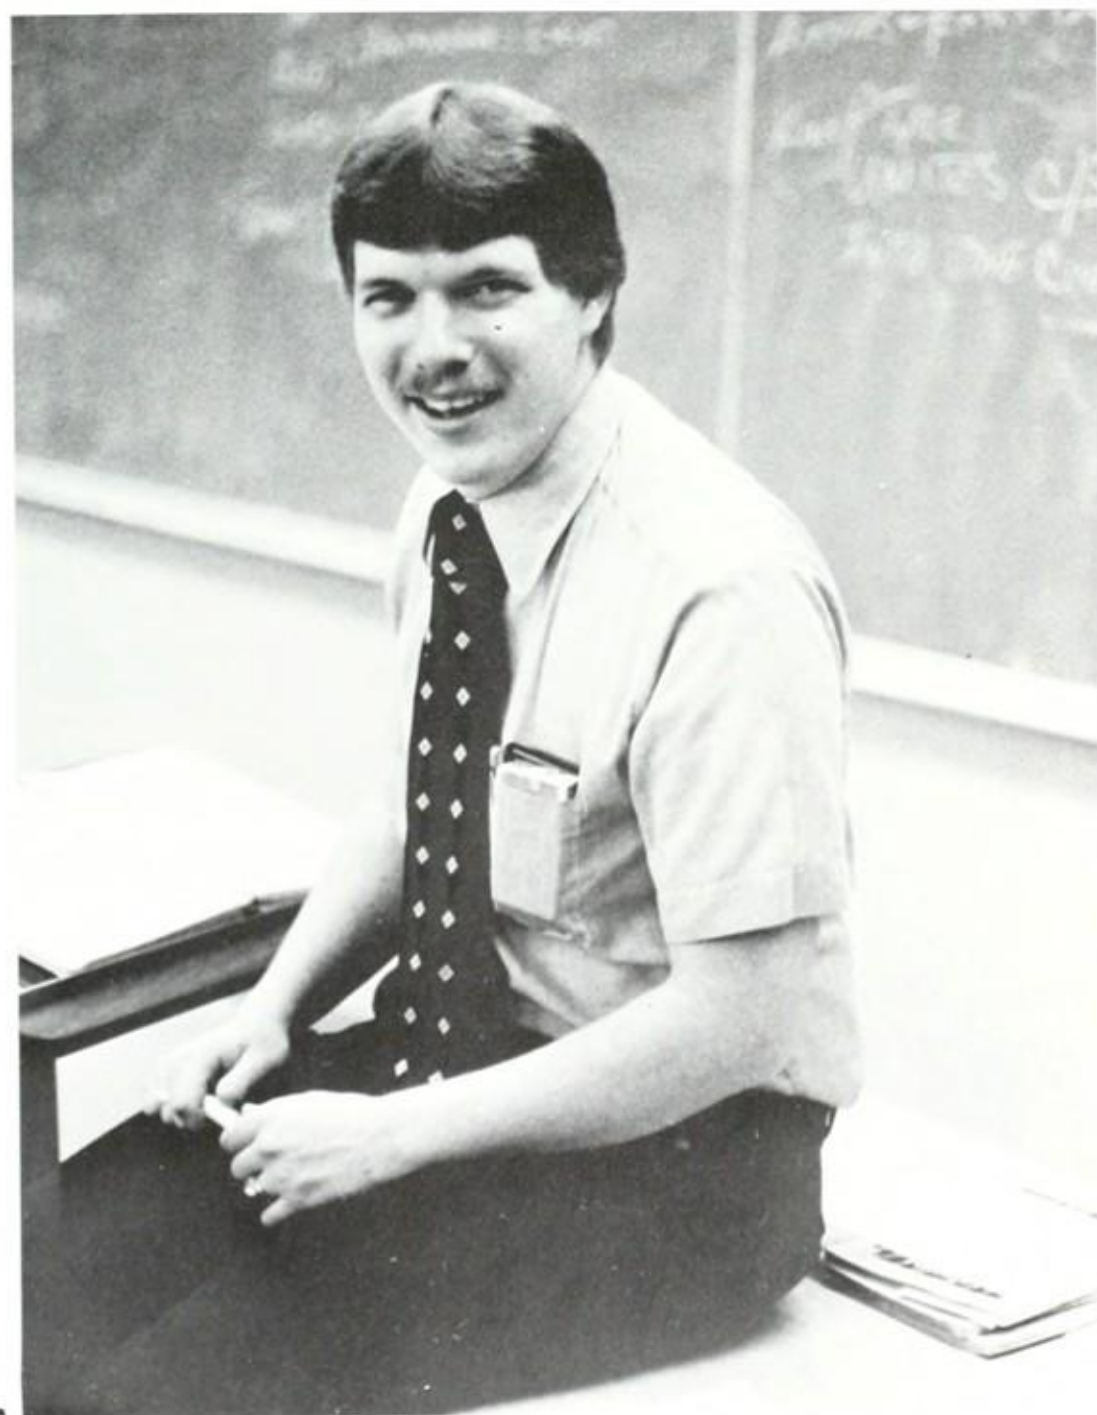

1. Mr. John Ambrosio: A newcomer to CHS; Biology. He fills his time with sports, reading, music and playing guitar.
2. Mr. James Amendola: His first year at Cathedral; Moderator of the Dance, Prom, and Homecoming Committees, English 2, Religion 2, Geometry. If he could, Mr. Amendola would spend all his time travelling, adding to his clown collection and playing backgammon.

4. Bro. DeSales Benning, FSC: At CHS 5 years; Bookstore Manager, Spanish 1, Religion 2. He says he likes music and reading.
5. Mr. Gary Bertolone: 2 years at Cathedral; Sophomore Class Moderator, Geography, English 3, PE/Health, Sociology. He enjoys literature, softball and cooking.
6. Bro. Manuel Ramiro-Callealta, FSC: On loan to us at Cathedral from his home province in Spain; Spanish 1, Spanish Composition. He consumes hours and hours learning the difficult language-English.
7. Bro. Donald DesHarnais, FSC: In his second year at CHS; Senior Class Moderator, Yearbook Moderator, Theology 1 & 2, English 2, Geography. "My private life is my private life." (There's always one in the crowd.)

"PEOPLE • WHO CARE . . .

1. Mr. Philip Ferguson: 13 years as a dedicated faculty member; Government, English 4, Fine Arts. His joys are stamp collecting, reading and his family.
2. Mr. Robert Fish: At Cathedral 3 years; Assistant Athletic Director, Head Cross Country and Track Coach, Essay Writing, English 3, Current Events. He seems to like cruising the Boulevard, dueling and going to movies.
3. Mr. Luis Garcia: 2 years at CHS; Algebra 1, Spanish 2, Geometry. Often seen playing tennis, chess, racquetball, bowling or programming computers.
4. Mr. Raymond Gonzalez: New to CHS; Geometry, Algebra 2, Trigonometry.
5. Mr. Thomas Grgurich: His first year at Cathedral; Physiology, Physical Science, Advanced Biology. He is often seen working hard in the lab.
6. Bro. Lawrence Haley, FSC: Religion 1. He enjoys singing and adores playing in faculty baseball games.
7. Bro. Patrick Henry, FSC: 2 years at CHS; Freshmen Class Moderator, Religion 1 & 2, World History. He is often out at movies, basketball and soccer games and the musical theater.
8. Mr. John Higgins: At Cathedral for five years; Head Counselor, Psychology. His hobbies are his children, swimming and teaching.

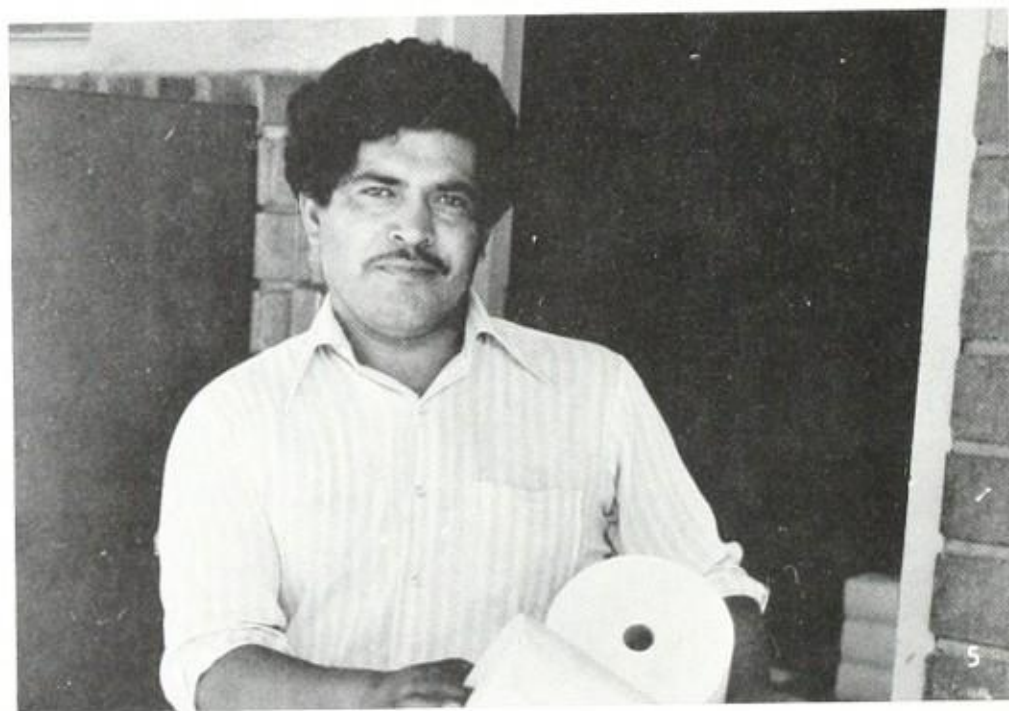

... WITH PRIDE AND DEDICATION"

1. Mrs. Mariana Marin: 1 year at Cathedral; English 1, Spanish 1 & 3. I love to "just have a good time." She thinks the atmosphere on campus is very good.
2. Mrs. Margaret McReynolds; 1 year at CHS; Librarian. She loves to spend time with her family.
3. Mr. Oliver Nowlin: 5 years at Cathedral; Art, Mechanical Drawing, Typing. After hours he likes art, body surfing and fishing.
4. Fr. Jorge Penaloza: 3 years at Cathedral; School Chaplain. He enjoys laughing and being in the company of good people.
5. Mr. Dominic Puglisi: In his tenth year at Cathedral; Junior Class Moderator, Algebra 1 & 2, Geometry. He gets a kick out of golf, reading and coaching soccer to little children.
6. Fr. Matthew Quinn: 15 years at Cathedral; Brothers' House Chaplain. He spends alot of time reading and jogging. (Puff, puff. . .)
7. Mr. Raul Ramos: 6 years; Head Football Coach, Spanish Civilization, Spanish 2, PE/Health. His hobbies are all outdoor sports, including football and swimming.
8. Mrs. Angela Summers: 3 years at Cathedral; Drama Club Director, English 4, Essay Writing, Reading. She enjoys horseback riding, bowling, shooting pool and travelling.
9. Mr. Michael Vitale: 1 year at Cathedral; English 1, Essay Writing. He likes rock music, sports, the beach, women, movies and, last but not least, he likes it here.
10. Bro. Martin Yribarren, FSC: 9 years at CHS; PE/Health, Geometry 1, Algebra 2, Trigonometry. He likes playing the piano and organ, basketball, bridge, and working out crossword puzzles.

STAFF

EVERY TALENT FILLS A NEED

1. Mrs. Mary Salcido: 11 years at CHS, Cafeteria Staff. She enjoys dancing and cake decorating.
2. Mrs. Mary Palacio: 13 years at Cathedral, Cafeteria Supervisor. She likes to be a sports spectator and camping.

5. Mr. Manuel Arevalo: 7 years at CHS, Maintenance Staff. He likes basketball, dances and all sports.
6. Mrs. Pauline Reyes: 3 years at Cathedral, Registrar. She enjoys swimming, bowling and likes people at CHS.
7. Mrs. Lupe Lopez, 10 years at CHS, Attendance Secretary. She enjoys visiting the California missions as well as gardening and needlepoint.
8. Mr. Manuel Palacio: 15 years at CHS, Maintenance Supervisor. His hobbies are watching football and camping.
9. Mrs. Arleen Rather: 2 years at Cathedral, Bookkeeper. She enjoys hunting, fishing, archery, auto mechanics and raising two teenagers.

SENIORS

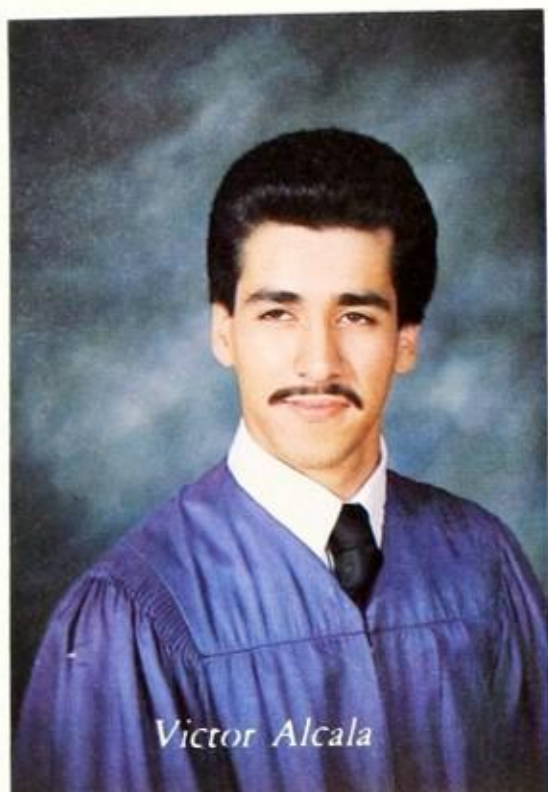

s another school year ends, a new decade begins, and the graduating class of 1980 has the honor of opening up this new decade as well as a

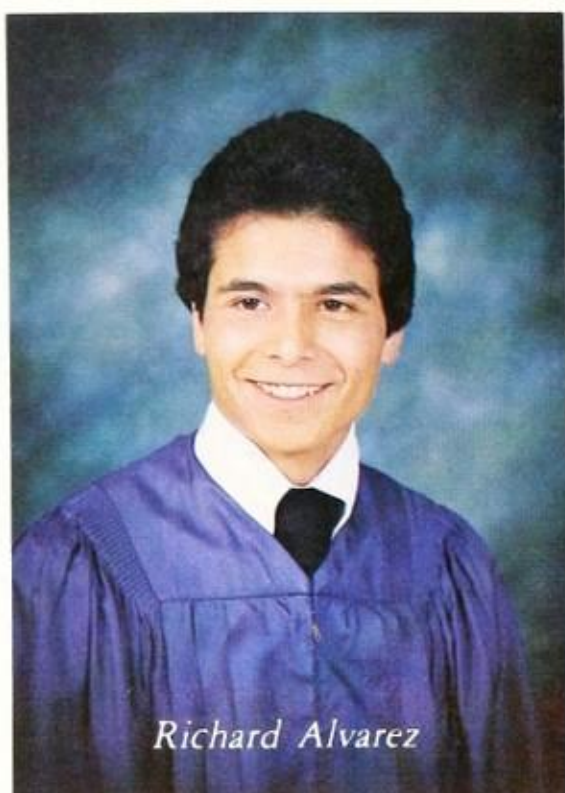

new life, a life greatly influenced by their experiences during their years at Cathedral. These experiences have prepared them for the new life they will be entering, a life of mystery, good and bad times. One very special and important event which took place and influenced the Senior class in a special way was the Senior retreat which was a sign of their unity and spirit as christians and as men. Throughout the year the senior class of 1980 kept their good standards by participating well academically, spiritually, and athletically. Besides the happy moments, the Senior class also experienced a sorrowful one by the death of one of their fellow classmates, Jose Soto. Jose was a dedicated Phantom full of spirit and motivation who was always ready to lend a helping hand. His spirit will live in the memory of his classmates forever. The class of 1980 also had a special honor in graduating on the 300th anniversary of the Christian Brothers. After 300 hundred years of dedication, the Brothers have passed on a great deal of knowledge to the students which have definitely benefited them.

1. Seniors get fired up at the rally.
2. Chris, Vickie, and Rosario with their escorts.
3. Senior class at the end of the retreat.

IN LOVING MEMORY OF

Jose Soto was a true Phantom. He never neglected helping someone and never did he expect anything in return. He liked going out and having a good time with his friends, but was aware that life meant more than just going out and having fun. Until the time of his death, Jose lived life to the fullest and was very much a part of the Spirit at Cathedral High School. Jose brought out the best feelings of his fellow classmates as they united to pay him their last respects. Jose will always be remembered by all as a true member of the Cathedral Class of 1980. God bless you Joe. We all love you.

Enrique Rosales was a beloved friend and Phantom. To many he was known as a school clown and the king of punk rock, but those who knew him well knew that he was a true companion and most of all a true Christian. There was a very serious side of Enrique. Like many others he had his dreams, hopes and disappointments. Enrique was very much a part of the spirit of Cathedral and was a true "PHANTOM". Enrique died on his birthday (April 2 1980) and till this day he lives in the hearts of those who knew him and loved him. God bless you "MOE" we were lucky to have known you, as a member of the class of crazy 1980.

IN THE EYES OF THOSE WHO KNEW THEM, THEY WERE NOT CONQUERED BY DEATH, RATHER THEY WERE CONQUERERS. THEY HAD COMMITTED THEMSELVES TO A PERSONAL GOAL, PREPARING THEMSELVES FOR ANYTHING, EVEN DEATH.

Cathedral has been a very experiencing thing. I've had many good times and bad times. I never would have made it if it wasn't for my parents who saw me through everything. I am lucky to have the friends I do, and I'll never forget the crazy things we used to do. I just want to say thanks to Cathedral for teaching me and filling me with the knowledge I need to make it in life.

Not only because my intellect has grown, but also my outlook on life. I have learned to appreciate school as well as what I have. Cathedral also gave me the opportunity of experiencing the things that are very important to the teenage adult. The friendships are a very important part of Cathedral. Over all Cathedral is an excellent school for preparation for the world that awaits us.

Cathedral High is the best place to receive a good education. Here at Cathedral the most noticeable thing is the unity between all the students and teachers. Relationships really grow strong here. I think that by me making the right decision to come to this school I have learned more than I would have in any other school. I can now read three words a minute and write a little and I am now taking the big step into writing numbers and adding. I had someone else write this paragraph because it would've taken me hours to write this much and I know that when I graduate I'll be able to get a big job like a trash collector like my cousin Richard but my real goal is to be an electronic engineer.

My best memories in my years at Cathedral were those wild and crazy times. My adventures with the boys of crazy 80 at the circle were examples of the party hardy class of 80. That famous night at the fiesta with our frosh. Most of my adventures have been with my crazy friends, and crazy places. Those short but fun party's during A set with the freaks with the free sets, the times I flew on the streets and freeways with Rigo on his 650. s a Junior, a student faces school with a different outlook. The work gets tougher and it becomes a challenge. This challenge, when met, merits the Junior the title of "Upperclassman". Then, there are the activities. He receives his ring, a sign of unity with his class. He also involves himself in clubs and organizations learning how to direct them and carry them on when the present Seniors leave. All these things must be taken seriously for next year, he will lead the school.

Sophomore year is a more exciting time than Freshmen year. You feel more comfortable and you now know the rules, routines and functions of the school. As a Sophomore you also have things to look forward to: getting class jackets, having more activities with the girls schools and feeling superior to the Freshmen. You don't feel looked down upon and you hope you've been accepted as one of the group. Sophomore year is one of many good feelings, activities and all around high spirits.

ur class of 1982 can best be described as a group of students whose attitudes are bursting with spirit, pride, and energy. Led by class president Javier Mariscal, the Sophomore Phantoms exhibited their spirit by upholding a high rate of participation in many school activities, in addition to creating and developing their own.

We are not a class that simply boasts of pride, we demonstrate it through such things as continuing to have a large number of students on the honor roll, good support of extracurricular activities, and major contributions to the schools' many athletic teams.

Keeping all this together were class representatives Armando Bermudez, Mario Hernandez, James Rios, and Richard Romero. They provided the encouragement which made the class of 1982 a major force in maintaining the high principles at Cathedral High School.

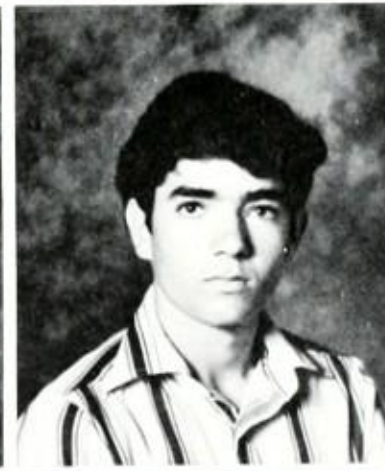

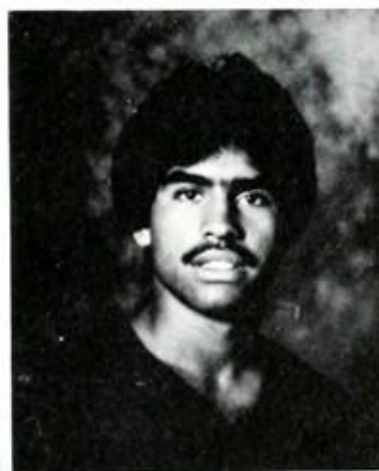

Mr. Gary Bertolone, moderator, and Bro. De Sales Benning, assistant moderator, were both very proud to be associated with this fine group and are confident that this attitude will never subside.

Now that the second year is over the Sophomores can look back at the progress they have made since arriving at Cathedral. They have grown physically, emotionally, academically and spiritually. Gone are the Freshman giggles and, even now, the Sophomore antics are fading into the past. What they now see and feel is so different from what they saw, felt, and understood just twenty-two months ago. Why, they probably even think that a four-hundred word essay isn't so bad anymore!

At the beginning of this school year the Freshmen found themselves in

new surroundings. They were new to all that is Cathedral. They walked into the wrong class, didn't know how to get to their locker or class without a pink slip, and were generally nervous.

As time went on they picked up the hows and became aware of what is expected of them. They also upheld the tradition of Cathedral—they became a class, a unit. They came up with many good ideas for activities and showed a spirit of unity.

Now that the school year has ended, they are awaiting next year with many great ideas and plans. As this year has been one of fun, work, and growing together, so will next year as the class of '83 become Sophomores and one year older in the Cathedral family.

One hundred and fifty-three Freshmen stumbled through the gates of Cathedral in

September. They were no longer grammar school kids, but they were not quite Phantoms either. Their initiation was long and hard. "What's my locker combination?" "Hey, Freshman, you're in the wrong class." "Wanna buy a used copy of Men and Nations?"

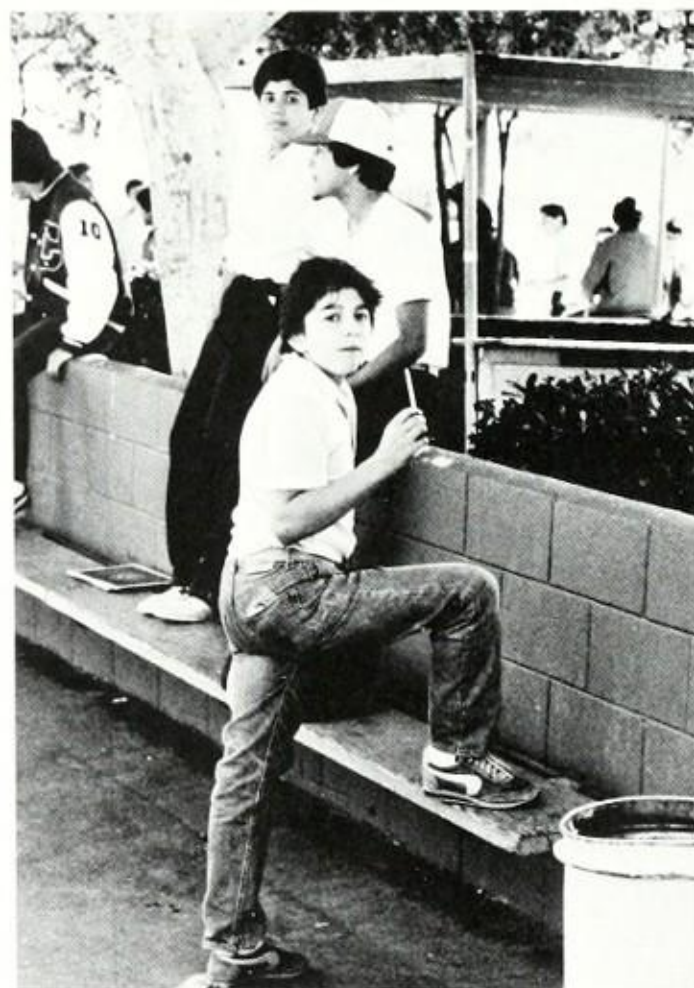

Then there was Frosh Week; the slave auction, silly costumes, and avoiding the Seniors. By then the fledgling Phantoms started to know what Cathedral was all about.

Led by President Steve Lucero, class officers Victor Gomez, John Silva, Humphrey Maldonado, Joe Argudo and Moderator Brother Patrick, the class was brought together as a vital part of the school.

inal words need to be written about the Freshmen before they continue on their journey through Cathedral. In this past year they have put out a tremendous effort to "get into" the Cathedral family spirit. They have succeeded in this. Now they have to look forward into the sometimes dim future. What will the next three years bring? How active will they become in their school? How much more progress will they need to make? What memories will they take with them the day the graduate? None of these questions can be answered now, but, we can say, "Freshmen, be proud of your accomplishments this year; they will take you a long way on the road to success!"

he 1979-80 Varsity Football team had a hard long struggle. The year started off with high

hopes, but ended with much disappointment. There was no doubt that talent and personel were there, but unfortunately the season wasn't what it could have been. The Phantoms ended the season in fourth place, climaxing the season with a convincing but too late victory over P.N. The opening game victory to Duarte seemed to start the season off well. The Phantoms followed with hard fought defeats to good teams they had played before. Despite the final scores, the Phantoms always displayed exciting hard hitting football. The team was evenly represented by Seniors, Juniors, and Sophomores. The "All-league" players included Robert De La Fuente, Ralph Carvalho, Oscar Izquierdo, and Mark Laughon.

VARSITY FOOTBALL

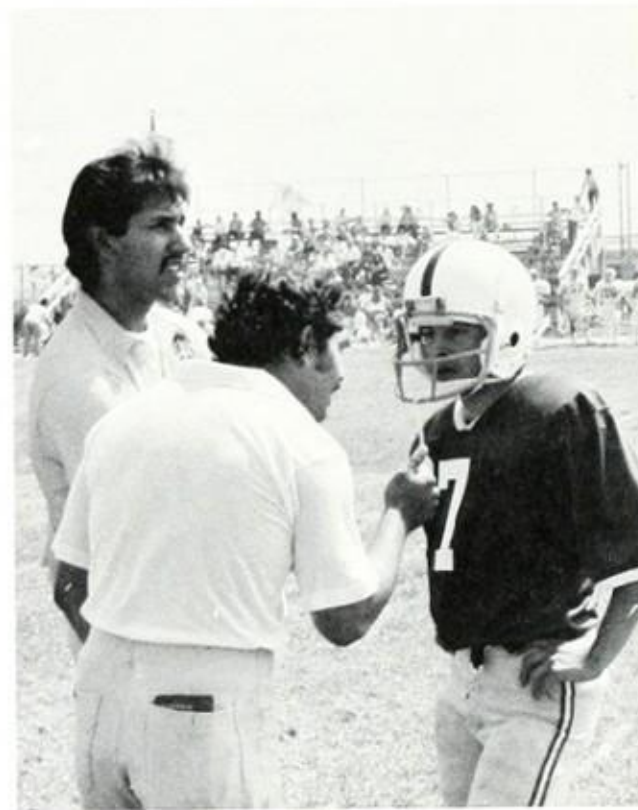

he 1979-1980 J.V. Football team could best be described as the epitome of determination. These sophomores and freshmen

students began their football season during the summer months July and August sacrificing much of their vacation time. The season began on a positive note with a victory over Duarte High School. Even though we were victorious, the players and coaches were convinced that much work was yet to be completed. Our remaining four pre-season games were marred by consecutive defeats. Fortunately, with the experience that these games provided the players were able to learn more and more about playing good football. By our sixth game we were ready to begin Santa Fe League Competition. We traveled to Santa Monica City College and beat St. Monica High School 28-0. Our Seventh game was another impressive victory on our home field against Bell-Heff High. By the time our defense was rated number one in the Santa Fe League. They were yet to allow opponents to score. Game eight was the big showdown against undefeated Chaminade. The J.V. Phantoms played as aggressively tough game that ended in as 8-all tie. Fortunately our defense retained its number one ranking and all we needed was one more victory to become Co-Champions of the Santa Fe League. The victory came during our final game against Arch-Rival Pater Noster. Even though our defense finally was scored upon we did finish as the number one defensive team was a result of one thing: determination. After a slow tiring pre-season, determination, turned it around and carried the Phantoms through victoriously congratulations J.V. Phantoms and may your determination continue throughout your career at Cathedral.

VAR. CROSS COUNTRY

athedral's 1979 Cross Country Varsity Team completed a fine season by placing eighth in the CIF-1A finals held at Lake Castiac. The

Phantom had a 7-2 dual meet record, losing only to powerful Crespi and CIF champs La Salle. The 4-1 league record was good for second place behind La Salle in the Santa Fe league. Cathedral's victories came against St. Paul, Harvard, and Cantwell in the preseason, and against Chaminade, Pater Noster, Bell-Jeff, and Bosco Tech in league competition. The Varsity was paced by Seniors Mark Martinez, Anthony Trafecanty, Henry Montanez and David Cruz. By Juniors Michael Trafecanty and Ismael Torres, and Sophomore Jesse Olivar. Mark Martinez, Mike Trafecanty and Henry Montanez all won medals at the league finals.

J V CROSS COUNTRY

fter a slow start in preseason (1-3), the J.V. Cross Country team improved greatly and finished second in the Santa

Fe league (4-1), losing only to champions La Salle. The J.V.'s were led by Sophomore Javier Mariscal and Freshman Steve Saucedo both of whom ran Varsity in the CIF meet. Much improvement was shown by Anthony Zaragosa, Mando Sanchez, John Avila, Max Cortez, Lawrence Vincent, and Tim Daniels, Javier Mariscal also earned a medal at the league finals.

ith only three letterman returning from last year,

1979-80 was a rebuilding year for the Cathedral Varsity Basketball team. Seniors Robert De La Fuente and Jack McClendon were joined by Junior Sal Rodarte and Sophomores Nat Domingo and Carl Calderon to comprise the starting five for most of the year. This unit struggled to become a cohesive unit throughout the pre season and during the first round of league play. However, their efforts began to show in the second round of Santa Fe league action with impressive victories over La Salle and Pater Noster. Despite narrow losses to Chaminade (in overtime), Bell Jeff and Bosco Tech, the Phantoms played improved and exciting ball at season's end. Rodarte and Domingo led the team in scoring and were named to the first team all-league team.

Coach Bob Fish is already looking forward to next season; with three starters returning plus a fine bench which included Danny Sanchez (the most improved player on the team), Daren Taylor, John Cobb, Beto Vidaurri and George James (who was injured most of the season), the Phantoms should challenge for the Santa Fe League title next season.

1. Left-front going up: R. Vidaurri, N. Domingo, R. DeLa Fuente, Coach R. Fish, C. Calderon. Right-front going up: J. Cobb, D. Sanchez, S. Rodarte, J. McClendon, M. Rodarte, Asst coach Y. Oda.
2. Sal tips the ball to begin a phantom drive.
3. Robert DeLa Fuente goes for a slam dunk on a fast break.
4. Sal awaits the results of his shot and is good for two points.
5. Carl Calderon hits a 20 footer from the outside for two points.
6. Jack goes up for two.

VAR. BASKETBALL

J.V. BASKETBALL

ur J.V. Basketball team was composed of players from last year's talented Frosh team and a good number of Juniors.

These Sophomores and Juniors fused well under Br. Martin to form an exciting team. This team was marked by hustle and complete balance. The scoring was provided by Dennis Ortiz, Gilbert Ortiz, Dean Alvarado and in the latter part of the season by Emil Maldonado and Rafael Reyes. The rebounding was provided by Dean Alvarado, Michael Venegas, Gilbert Ortiz, and Henry Brown. The team had a strong bench which substituted often and was just as effective as any starting group. The only apparent weakness at the outset of the season was inexperience, with a lot of Sophomores and first-year players, and lack of size. These weaknesses however, were dealt with by the consistency of Emil Maldonado, Mike Venegas, and Gilbert Ortiz displayed. Also, the acquisition of Henry Brown helped give the team size. In the pre-season the team lost a few games when it was gaining experience but did well in the Valley Christian tournament in which it placed second. The team fared well in league which consisted of a number of games against fine teams. The team wound up the season led by the scoring of Emil and Ralph and defeated champion Bosco Tech.

1. Front Row: Lf. to Rt. R. Joya, P. Aceret, J. Tiajero, E. Maldonado, R. Reyes, Bro. Edmond, C. Flores, R. Martinez, Bro. Anthony, M. Mendivel, Bro. Martin, R. Garcia, Bro. Martin, R. Gonzales, G. Ortiz, M. Trafecanty, M. Venegas, H. Brown, E. McNiel
2. Gee! What a fine mess I got myself into!
3. Henry Brown goes for two!
4. Phantoms, strategically talk about their defense.
5. Emil, the decision maker.
6. Reyes, looks on as his shot goes in for two.
7. Teammates look on, confidently!

FROSH BASKETBALL

uring the pre-season, the frosh were impressive as they posted a record at 7 wins and 2 losses.

They were led by the playmaking and cherry-picking of the Danny Calderon. And the scoring and rebounding of Manny Ramirez and Shane Watkins. These later two were selected all-tournament as the team finished second to the host in the Valley- Christian Tournament. In league play, the team could not keep up its winning ways in a tough league but were competitive as they posted a 6-6 record. Danny Calderon & Manny Ramirez continued to play well, but the team was also led by Sal Sanchez, Jerry Farias and Villagomez, they contributed with their all-around play. The team played well together and played exciting ball as they lost by narrow margins. Congradulations to the team on a fine season which was marked by their hustle, and enthusiasm. Various Freshmen players with J.V. players can improve the basketball team in the near future with a strong base for Cathedral. Congratulacions to first- year coach Ambrosio and the rest of the Freshmen Players.

1. W. Prodan, D. Calderon, A. Sanchez, M. Ramirez, R. Villagomez, M. Smith, Coach J. Ambrosio, A. Carillo, J. Farias.
2. Armando blocks the way for the opposing team.
3. Albert tries to get that ball.
4. Tip it to the Phantoms!
5. Manuel gets caught traveling.
6. Clear the way we're coming through!
7. The Phantoms call time out.

Cathedral's 1979-80 Varsity Soccer team had capabilities similar to the 1978-79

Soccer team. It was a young team with a lot of talent, skill, poise, and finesse. The team was aggressive and hustled at times, but because of a lack of experience we did not do that well against teams we should have beaten. The team as a whole played outstanding soccer throughout the season, especially against Bosco Tech the second time we played. Our team played like a professional team, making few mistakes, and winning 6-2. This game was the highlight of the season. We knew we had to play hard, strong, and aggressive soccer, to keep in contention for the playoffs.

1. Paul waiting for his opponent to approach.
2. Guess who finally scored.
3. Determination is seen in Danny's dive.

VAR. SOCCER

J.V. SOCCER

WE ARE UNITED BY BEING INVOLVED

any teams have come and gone, but Cathedral High School's Soccer team played well this year. With a 6-6-2 overall record, the team showed that it can still resume it's former position as a top notch soccer team. The team played hard throughout their season, although many times their practice was hindered by the foul weather. Because of this, Cathedral could not play some of its final games. Out on the field the players displayed unity. This unity is what made the team good. All the talents of the players combined is what made it possible for the goals that were scored to be scored. Together they united as one.

WE ARE YOUNG AND DETERMINED TO GROW

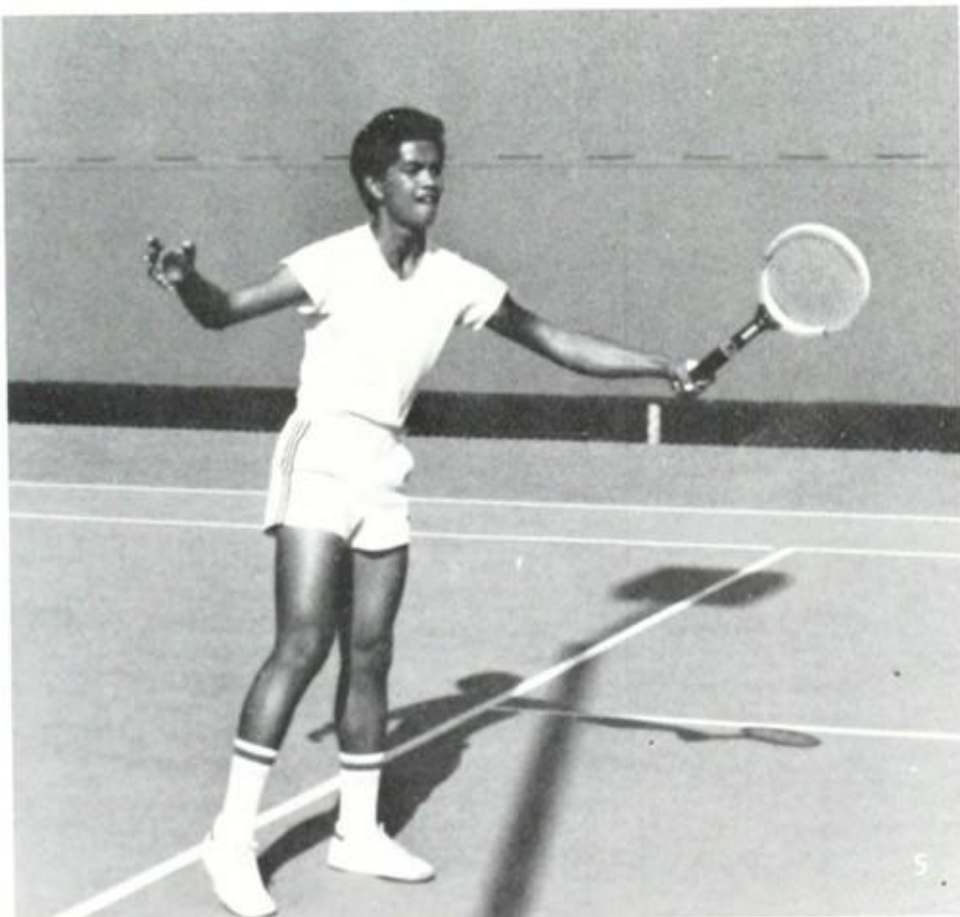

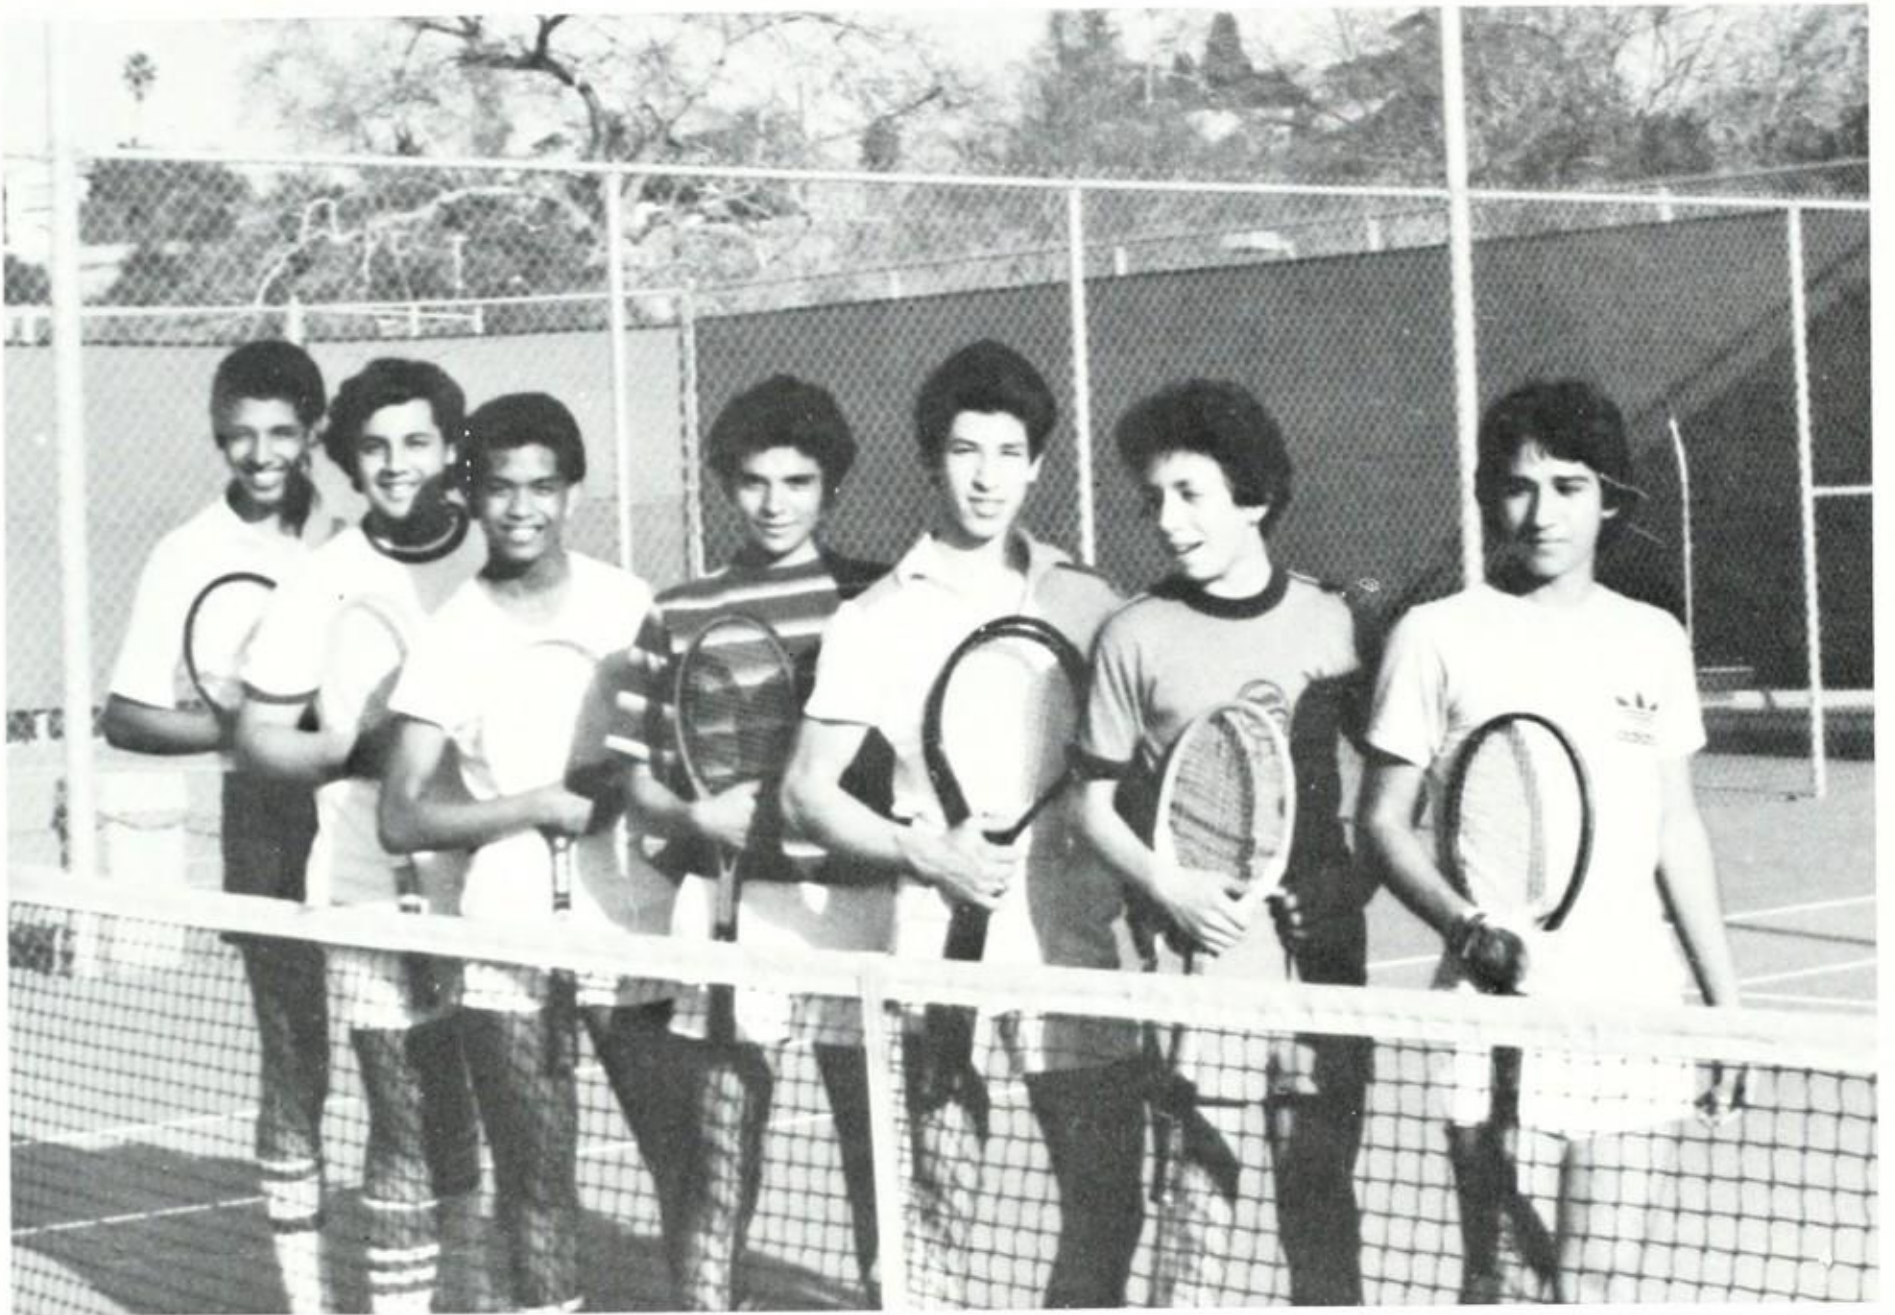

s the J.V. Tennis Team entered another season with a limited number of players the future still looked good. With the training of Coach Luis Garcia the team had a good chance to take league. With Nat Domingo, Sal Rodarte, Mario Hernandez, and Albert Grajeda the singles players and Ricky Alanis and David Resendez as the strong doubles, the J.V. had it made. Cathedral High School should take pride in the tennis team because it usually takes league every year. Most Tennis players give up their weekends, holidays and summer to practice and get ready for the next season. After all this hard work the team is proud to be number one.

The J.V. Tennis team planned this season to play their best, take league, and give their opponents hell.

J.V. TENNIS

athedral's Varsity Baseball team, is a team to be dealt with in the new Santa Fe

League; we had 9 returning lettermen and some help from last years J.V. team. The Phantoms were a competitive team. Defense was Cathedrals strength. Armando Figueroa Sr. at 3rd base and Gilbert Lujan Jr. at 1st gave the Phantoms the best in the league. All League Robert Sandoval headed the pitching staff. As Sandoval went so did the Phantoms. Carlos Rodriguez, Eddie Joya, Art Granillo, Jaime Gracia, Joe Silva, Joel Jolliffe, Gilbert Carrillo, Mike Marquez, represented the Senior Class of 1980. Completing the team are Gilbert Lujan Jr., Rene Ramuez Jr., Joaquin Pinela So., Dennis Ortiz So., and Frank Pinela So.

VAR. BASEBALL

J.V. BASEBALL

If one could describe the 1980 J.V. Baseball team, one would say "competition". In early February fifty-eight students tried out for the fifteen spots on the team.

Unfortunately our pre-season was cut short because of the rains. This year's squad consisted of two veteran Juniors, eleven returning Sophomores, and nine very talented Freshman. The pitching corps was led by Freshman Cesar Flores, Sophomores Art Villa and Frank Pinela who contributed heavily to the offensive punch. David Calderon, Mike Marquez, Tony Orona and Mike Pinon also added bullpen relief to the defense. Other defensive standouts include Sophomores Ricardo Gutierrez and Gabriel Ortega in the outfield, Freshman Sal Sanchez behind the plate and double-play combination Henry Holguin and Eddie Contreras at shortstop and second base respectively. Sparking the offense was first baseman Manny Ramirez, utilityman Bobby Villanueva, and third basemen Armando Lucero and Orlando Izquierdo. Other major contributors to the team included Ray Garcia, Robert Arredondo, Robert Martinez, Raul Sanchez, Rudy Bernal and Victor Madrigal.

Attitude is a very important aspect of any competitive team. Every year when a new season begins, players are naturally enthusiastic and energetic. The J.V. Phantoms had a great attitude and complemented with their potential for success, the 1980 campaign promised to be a very exciting, competitive and enjoyable one.

FRESH WEEK

rosh-week activities were a complete success. At the auction, the Freshman sold like

gasoline. The Frosh came in all shapes and sizes, none too odd for their loving seniors. It was soon discovered that these Freshmen had talent, they did a superior job of singing, dancing, carrying books and shining shoes. The Seniors were so pleased that they decided to show off their prize Freshman to neighboring girl schools. The girls loved them since the Frosh also had a unique ability to clean cars. The Frosh also made the girls feel important since it's not often they have twenty guys line up to kiss their rings. Surprisingly, the Freshman did it voluntarily. This made everyone happy and the memory of good times Frosh-week will remain forever.

HOMEcoming

Homecoming can best be described as a headache for those who are planning it, and enjoyable for those who are participating. The way in which a large part of the student body took part made the headache well worth it. The rally luncheon, game and dance were very encouraging to the committee because of the quality of the people involved - from the court to the students!

ne of Cathedral's most outstanding events of the year has always been Homecoming.

Somehow in the past years, Homecoming week, which consists of the rally, game, and dance, has always brought together the students not only as classes but as one school united in spirit. This year was no exception. Cathedral chose ten girls from various schools to represent their Homecoming court. The girls were announced for the first time at the rally which was held on Friday November the second. Here the student body cheered on an outstanding performance done by the cheerleaders and the hilarious skit well presented by faculty, then came the presentation of the princesses in which the band played "Reunited" as the court walked in. Following the rally, the court was then taken to a luncheon at Luminarious Restaurant in Monterey Park. The next day Saturday November the third was a big day for all. During the first part of the day the big game took place in which the court and their escorts were again presented during half-time. Concluding this week of excitement was the dance. Music was provided by Best of Friends and Butt to Butt. This was a most suspenseful moment for all present, particularly the Homecoming court for this was the night one of them was to be crowned queen. The winners were then announced by ASB president Ramiro Villalobos. Cathedral's 1979-1980 Homecoming Queen was Miss Rita Cortez from Sacred Heart of Jesus high school and First princess-Runner up queen was Miss Rhonda Ramirez from Ramona Convent High School. Altogether homecoming week was a success.

9. Princess Deanna Navarro from Ramona Convent escorted by Gaspar Sotelo.
10. Princess Rhonda Ramirez from Ramona Convent escorted by Robert DelaFuente.
11. The Queen's dance.

omecoming is an event that takes place once a year but is an event that is cherished for a long time by everyone.

Many things happen during the three week period before the queen is selected. Each day has its own meaning. First a meeting takes place to which all the candidates-to-be are met with and told when to come and be interviewed. This is a major step toward making the final decision and one of the most difficult times for the girls, since they are going to be judged on their personalities and qualifications. The first interview narrows the selection of candidates to ten. By the second interview the choice of queen is made but kept secret. By this time the girls have become more than ten young ladies wanting to become Homecoming queen, but a group of friends who enjoy each others company. This makes the following events more enjoyable. The girls attend a rally where they are presented to the student body. Afterwards they go on to a luncheon with their escorts and faculty members. By this time the spirit of excitement is running through everyone for the waiting of the announcement. Saturday finally arrives, the day many people have anticipated for the past days. After the game the long awaited dance was upon the finalists and their escorts. The tension that builds up before the final announcement is always well worth the wait.

BOOSTER CLUB

very year the Booster Club of Cathedral High School is the main source of support for the athletic program of the school. It is composed of parents, relatives and friends of the studentbody. These people donate much time and effort in helping the school run its athletic program. Collecting money at athletic events, selling programs, and running the concession stands are among the many things the Boosters do. During the past year the Boosters made possible the purchase of a batting machine for the baseball team and the leaper machine for the entire athletic program. Moreover the Boosters provide free food and/or drinks for Cathedrals' athletes at most of their events.

Working Boosters, those who helped at football and basketball games for 1979-1980 include: Mike Candelaria, Pete Mercado, Juanita Benedetti, Miguel and Aurora Galarza, Ofelia Rodarte (and her sisters), Manny and Norma Ramirez, Tony and Connie Torres, Tony and Teresa Carvalho, Felino and Leticia Domingo, Javier and Eva Alvarado, Manuel (Pop) and Mary Palacio, Gaston and Clara Munguia, Archie and Bertha Calderon, Frank and Juliet Pastor, Frank Puglisi, Bob and Esther Munguia, and Larry and Dolores Guerrero. We thank them all for the many hours they gave to our boys.

PARENTS' CLUB

ou may ask and wonder what the Cathedral parents club is all about. It is about loving, caring and taking pride in being a part of this school, being

happy that our sons are here, and showing it by supporting the Christian Brothers in whatever way we can. The parents club is open to all interested parents of our Cathedral family. There is no obligation to join, it is not a dues paying club. For years parents have gotten together to plan, vote on and execute different social functions. One major function is the popular and awaited yearly family picnic. That day the Brothers, teachers, and members of the Cathedral family join together in sharing food, drink, and games in a relaxed family spirit. The club also plans and holds three dances per year, proceeds going to our school.

One other big function of the year as a major fund raiser is a yearly raffle in which the monies are used as the Brothers see the need. Behind all this is the hard working parents board. The officers are nominated and voted in by the fellow club members. This year the officers were as follows: Pres-Mr. Raul Murrieta, Vice Pres-Mr. Richard Terrazas (Both cathedral alumni from the class of '48), Sec-Mrs. Anita Martinez, Treas-Mrs. Betty Herr, Social dir-Mrs. Jean Martinez. They all do their respective jobs lovingly and willingly. Think Back how many yrs, with what loving effort and oh yes, what sacrifices it took to try to give our children a good education. We watched our sons grow and we hoped and prayed our guidance was right and in our hearts and minds we realized how important it was to continue this education. How happy and proud we the parents of Cathedral should be that we had the good sense to reach out and place our sons in the hands of the Christian Brothers and Cathedral High School.

nce again the Phantom families gathered for a day of fun and eating in Elysian Park on the last Sunday of September. This annual event brought out a healthy and excited crowd of youngsters of all ages. The games and events of the day provided great entertainment, but, as usual, the home picnic basket was the centerpiece of the day's activities. By the way, who eventually won the tug-of-war?

SUCCESS

C.H.S. STUDENTS, ALUMNI AND BROTHERS HELP TIJUANA SUMMER 1979 EDUCATIONAL PROJECT

Tijuana, Baja California, Mexico has a population officially estimated at between 950,000 to 1 million. Fifty percent of the population is under 15 years of age. The need for work among the youths there is great because there are not enough schools for such a large young group. With this need in mind, Brother Armand Garcia, FSC, and a team of volunteer Brothers and Cathedral High School alumni have been giving free summer classes there for the past two summers. The classes are conducted in the parish halls and in whatever corner of area is available. This year a group of 302 men and women between the ages of 8 and 43 years, graduated from the courses offered in basic arithmetic, Algebra, Geometry, English conversation, handwriting and Composition. Thanks to the financial donations of CHS students and students from other California and Oregon Brothers' schools, we were able to purchase books and materials for students in Tijuana to use.

The CHS Alumni who volunteered their time this past summer to teach were; Noe Gonzalez, Class of 1976; Jose Flores class of 1976; Sergio Bermudez, class of 1978; and Yearbook Editor of that year, and Carlos Pinela, class of 1978. Mr. Ernesto Navar, class 1952 donated a large amount of athletic equipment for the sports we had in Tijuana.

Brother Armand and the volunteers would like to take this opportunity to thank the students for their help, and Brothers Gleen and Xavier for their organizations of the fund raisers last year. We will continue this project in "Tijuana Summer 1980"!

CELEBRATE

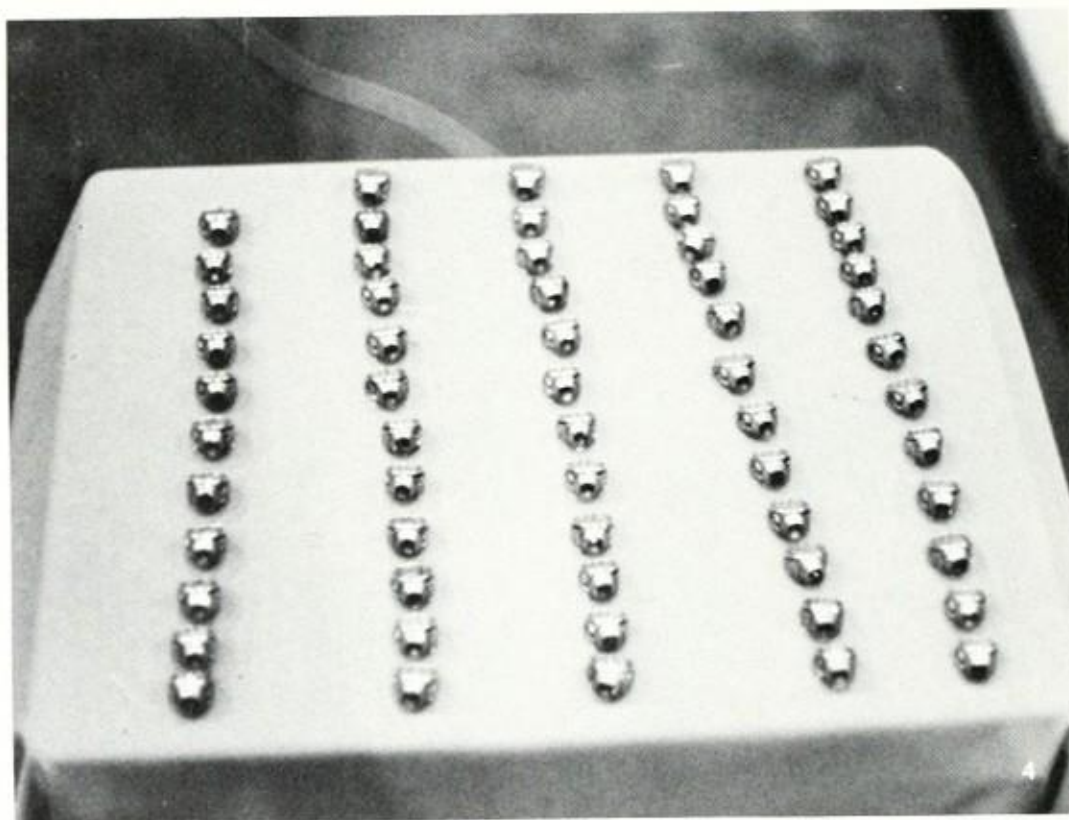

our school year began with the traditional Mass of the Holy Spirit. The next student Mass was that of Thanksgiving which also displayed the canned goods which had been collected for the poor. The feast of Thanksgiving was tragically cut short and the mass for the death of Senior Jose Soto followed. In December the big feast day was that of Our Lady of Guadalupe which was a mariachi sung Mass and was presided over by Cardinal Timothy Manning. Many members of the studentbody also participated in the procession in honor of Our Lady of Guadalupe. The new semester saw also the participation of the studentbody in the traditional public assemblies of Lent, the communion services during Lent. This year's La Salle's day had special significance since it was the opening of the tricentennial celebration of the Christian Brothers. Throughout the school year the Masses held at Cathedral once again proved that the Spirit is ever present at Cathedral.

JUNIOR RING

CELEBRATION

By the beginning of the second semester marked a very important time in the life of the Junior class. It was a time when the class, along with their families and friends, celebrated the blessing of the class rings during mass. The Juniors were very fortunate to have Monsignor Gutierrez as the celebrant. His theme in the homily was sign. What sign is the school ring? He stated that when people see them wear their ring it gives them information: that they attend a Christian Brothers school, that they are getting a high quality Catholic education, and that they are united through a common bond to all students of the Cathedral family - past, present and future. Also he stated that they would have to work hard to keep the spirit of the sign. In life they would have to practice the signs that the rings represented. Ever since Freshman year, the class of eighty-one has displayed an abundance of Phantom spirit. As Freshman they sought and learned. As Sophomores they began to unify themselves and now they understand the result. They stand together, promising a new and exciting tomorrow. They are a class with tremendous pride and they await their Senior year with great enthusiasm.

PROCESSION OF OUR LADY OF GUADALUPE

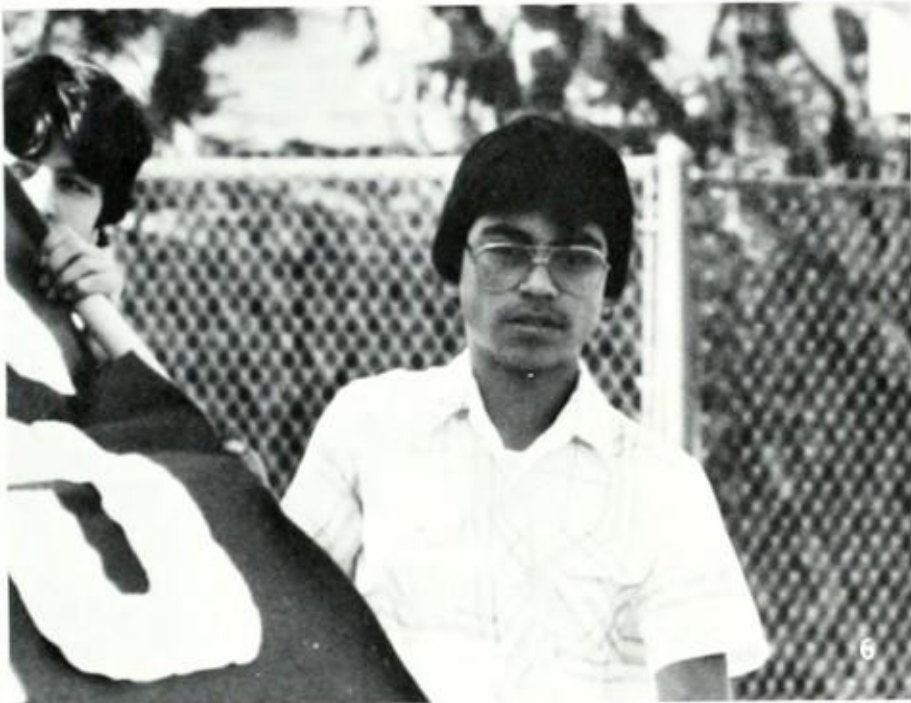

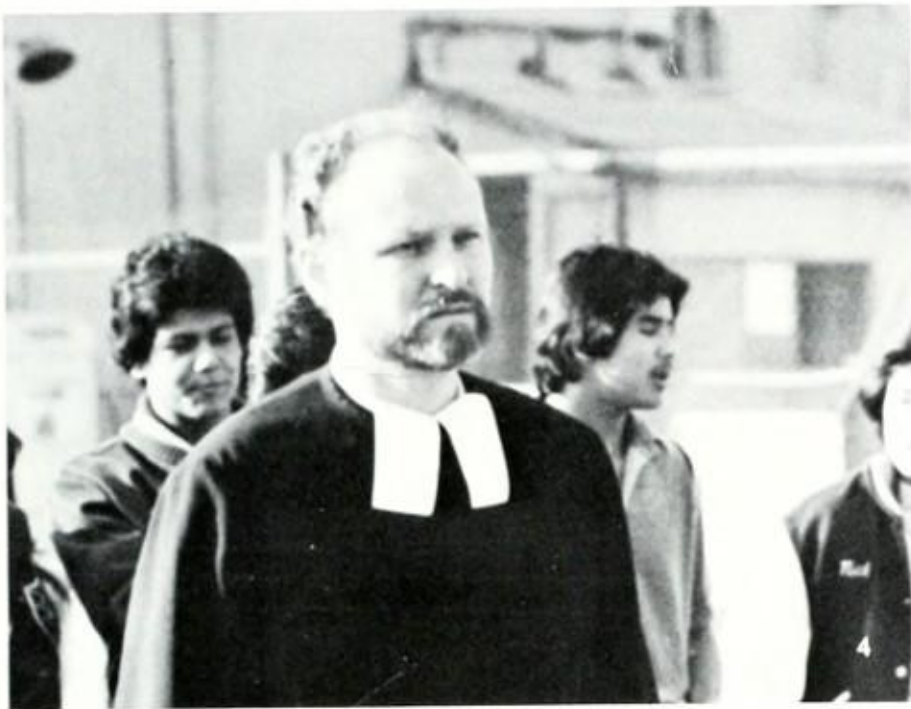

In this year's procession of Our Lady of Guadalupe, members of the student-body of Cathedral made strong showing in honor of Our lady. The students marched from Our Lady of Soledad Church to East Los Angeles College, holding banners high which signaled the various clubs and organizations present. In an atmosphere of reverence and solemnity, those who represented Cathedral received a warm ovation into the stadium.

Although the day was cold and somewhat lengthy, most of the Cathedral students remained for all of the activities. The activities consisted in a prayer service and play depicting Juan Diego's vision of Our Lady of Guadalupe. The crowd was vibrant in its spirit of worship and so exuberant as to cheer at times. There were many friends and families of Cathedral students gathered in worship of Our Lady of Guadalupe and has made the Cathedral Phantoms a true family. There was a good representation from each of the classes and their unity was visible to all.

STUDENT COUNCIL

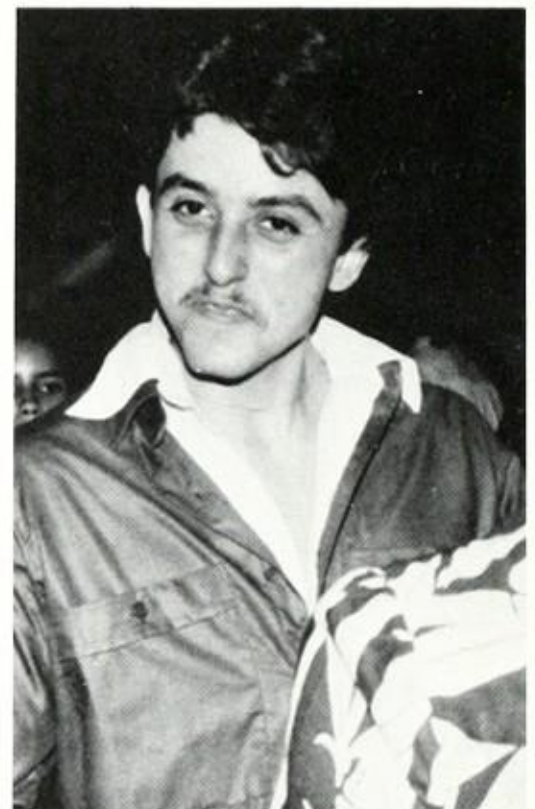

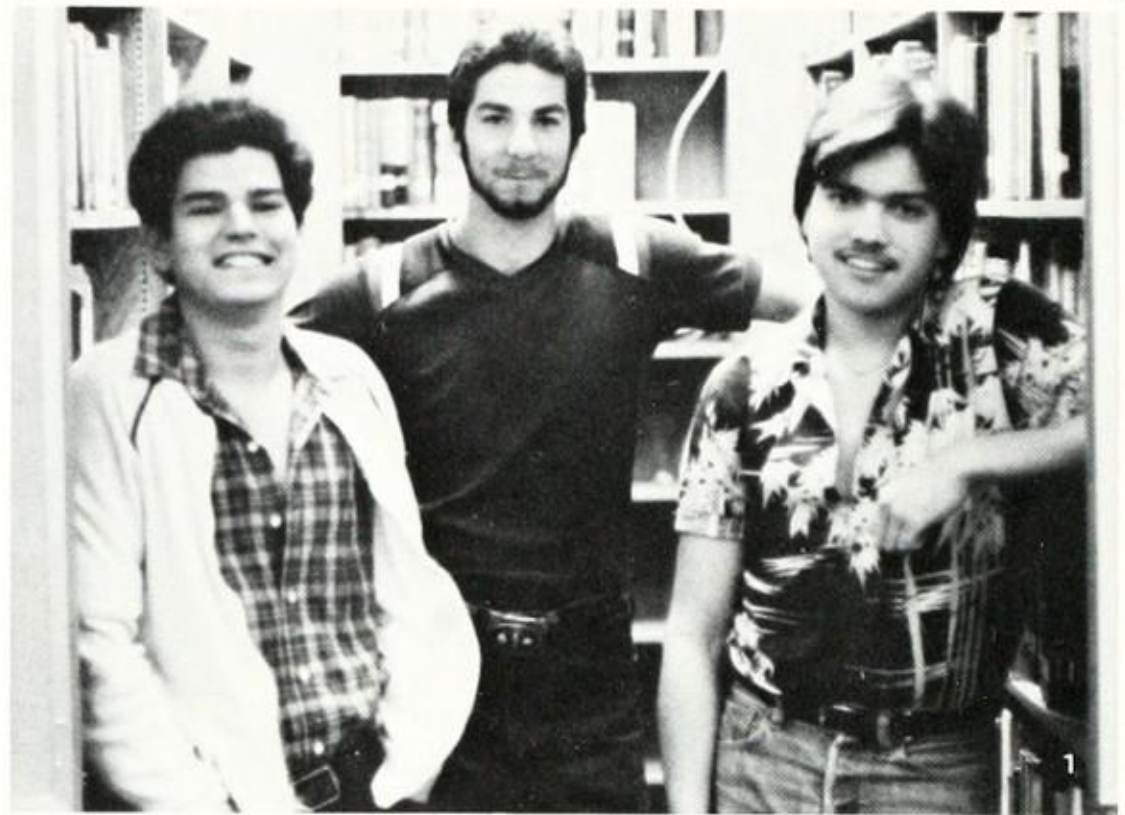

THROUGH OUR EFFORTS WE BECOME UNITED

ur Senior class
has made itself
known since
Freshmen year.

Through the hard work of our moderators and class councils, along the way we have become unified. In our Sophomore year we won the spirit trophy. Our Junior year the class went through changes. Which brings us to today; now our class is stronger than ever. We've had successful fund raisers and activities. The name Crazy 80 was developed in our freshmen year. As we graduate, we will look back at all we've been through. Some of us will laugh at the various incidents and some will wish they hadn't done certain things. But all in all there won't be one who will regret these past four years.

CIRCLE CEE

Br. Manuel, the Circle "C" moderator, received over 100 applications for the membership in the organization. This is just another indication of the esteem that the club enjoys among the student-body. Members of the Circle "C" wear their pat patch with pride. They understand that their's is a very important responsibility in the school. Club members take very seriously their duty at all student body functions. Circle "C" members can be seen monitoring lunch lines, rallies, assemblies and various other gatherings of the Cathedral family. Dedication and generosity are hallmarks of a member of the Circle "C". When students make an application for membership, they indicate that they are willing to give of their time and energy so that our school can run more smoothly. And it is precisely this dedication and this generosity that is so much appreciated by faculty and students alike. And that accounts for the fact that all Cathedral functions are so orderly.

MECHA

From the start, Cathedral High's Mecha Club has been in the limelight on frequent occasions this year. The goals set last year - service to the community and cultural enrichment - have served as impetus for its various activities. During the first semester Mecha, members teamed up with the Christian Action Club in an effort to prepare Thanksgiving baskets for the poor. Monies were raised by manning the refreshment stand at studentbody dances. In the area of cultural enrichment the club sponsored a "festival" to celebrate "Dia de la Raza" on October 12. All Spanish classes were invited to prepare a song, skit or cultural display for the entertainment or enrichment of the other members of the studentbody. Two trophies were awarded for the best performance in the Freshman and Sophomore sections. Second semester activities included: a lenten drive to raise funds to be distributed among the poor at Easter time and Cinco de Mayo activities. Traditionally, Mecha members have presented a play for the whole studentbody. This play usually portrays the Mexican-American/Chicano in the world of today.

WE ARE UNITED; WE BECOME FULFILLED BY BEING INVOLVED

pirit at Cathedral can be seen through the determination of the spirit club. The club proved itself worthy of the name "spirit" by their attendance at sports functions such as football and basketball games both home and away. Another privilege that the club had, was to have fellow member Carlos Padron be Phantom for the last part of the football season and most of the basketball season. A major function sponsored by the club this past year was a Christmas tree sale in which money was raised for the Tijuana Educational Program for children. Other activities that we sponsored were: getting rooters buses to games and, particularly, painting signs and posters for the games. Although most of the club was composed of Seniors who will be leaving this year, there is strong hope that the club will continue to function actively in years to come.

SPIRIT CLUB

CHRISTIAN

ACTION

LIVING CHRISTIAN BROTHERHOOD, FOCUSING ON FAIRNESS, BECOMING AWARE OF OUR FAITH

Christian Action is a service club that helps out in the community as well as in school. This year's club was made up of upperclassmen with the exception of one hard working Sophomore. We are a club that volunteers for various functions at school, for example setting up for the Lenten Services. The club had three major functions this school year. First was the Thanksgiving Food Drive which was run by Junior, David Resendez. It turned out very successfully. We were able to deliver complete meals to 4 families, other food collected plus some food coupons that were purchased were given to Our Lady of Loretto Parish for distribution. Second was our Annual Blood Drive, which was run by Seniors Don Daniels and Jesus Lara. This year's drive broke the record: "64" pints. This was our most important activity and we are once more proud to say that the trophy is ours, thanks to the students, parents and faculty who donated their blood. Lastly the Club had an Easter Food Drive in which both Cathedral and Loretto students participated. The food collected was given to Sister Way of the Cross, in Ensenada. This food helped feed 500 girls of various ages. These girls have been victims of polio, poverty, abandonment; and neglect has steered most of this girls to the orphanage. These have been some of the things the Christian Action has participated in this year. The club will lose some of its most valuable members this year, so it will be up to the remaining members to continue the work of the Christian Action and to recruit new members for the future.

1. Christian Action show their spirit.
2. T-h-i, T-h-o, The.
3. Look at the size of that needle!
4. Our father who art in heaven . . .
5. Red Cross victims.
6. Someone get out of here.
7. Lt-Rt Bottom Row: J. Olivar, J. Gonzalez, J. Silva, A. Olivar. Top Row: A. Joaquin, V. Cendejas, J. Torres, D. Daniels, M. Pinal, D. Resendez, J. Lara, T. Moya.
8. Collecting food for the poor.
9. Another blood victim.
10. It's worth it!

DANCE

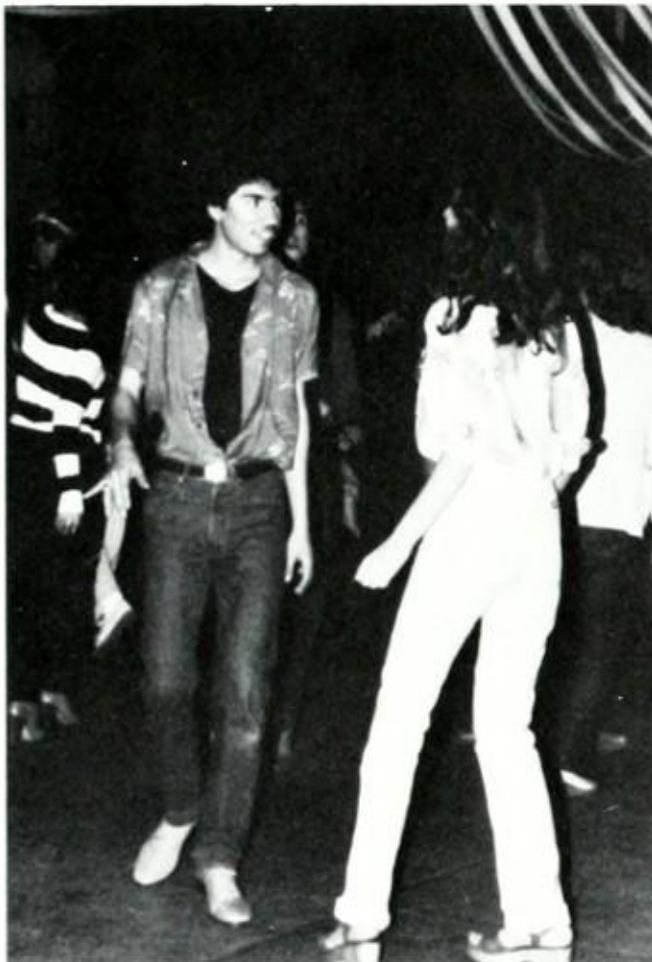

DANCING, A HEALTHY OUTLET FOR FRUSTRATIONS

ance activities are offered to students and others as well by the Dance

Committee Club executives and members give up alot of their time to decorate, clean, and set up for a dance; not only at the time of the dance does the club work, but weeks before, staying many hours after school preparing and planning the dance.

The dances are something looked forward to after a long week of studying. A sense of excitement can be felt towards the end of the week. The dance committee members stay behind after school and prepare for the night's dance. When walking into the gym the night of the dance, the work of the committee can clearly be seen. The Homecoming dance was certainly a success for the Dance Committee.

1. Juan and his partner take the floor!
2. KROQ getting ready for the big night.
3. Cathedral really getting hot with the sounds of the B-52's.
4. H-A-A-A-A-A-Y!!!
5. Leo and his partner doing their thing!
6. Enrique had a hard days night!
7. Dancing the night away.
8. Boy, how do I get rid of this guy?
9. Gee, I'm stuck here doing this!
10. Hey, look!

COUNT DRACULA BECOMES PART OF CATHEDRAL

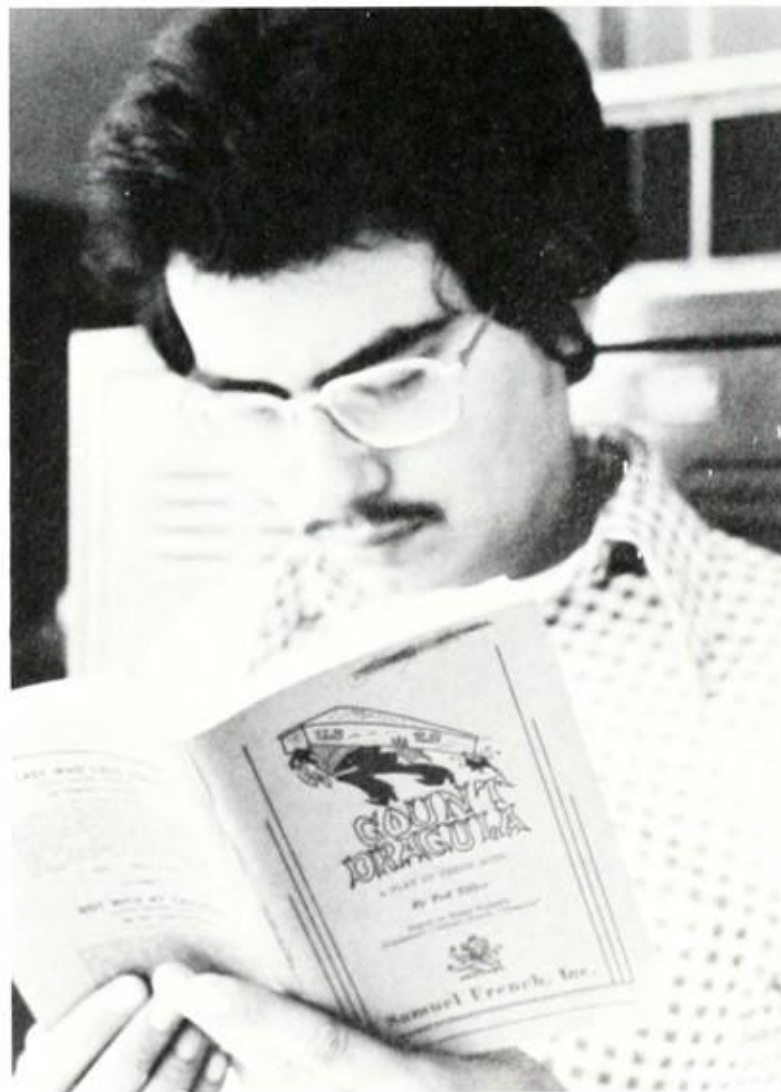

very year Cathedral High School's Drama Club puts forth fine plays for students to participate in. This year was no exception. In fact, the Drama Club, with the help of Mrs. Summers, Mr. Nowlin, and a talented cast presented the ever popular "Dracula". Aside from displaying the cast's fine acting talents, Dracula gave the club a chance to exhibit its magical talents as well. Flying bats, self lighting cigarettes, mysterious fog, and moving furniture astounded the audience. Dramatic sets designed by the art department further emphasized the eeriness and mystery of the play.

1. Rosie reciting her lines.
2. George takes time to refresh his memory.
3. Chippy and Miss Summers following along.
4. Don gives us that Ultra Brite smile.
5. Paul shys away from the camera.
6. Top row, Lf to Rt: D. Daniels, Moderator Miss Summers, S. Donnelly, A. Moya, R. Vasquez, M. Pinal, G. Perez, W. Terrazas, Bottom row, Lf to Rt: G. Romo, R. Murrieta.
7. Gus and Rosie preparing for opening night.
8. Raul (Dracula) gets ready to pounce on his victim.
9. Mike really getting into the script.

DRAMA

WE MAY NEVER PASS THIS WAY AGAIN "THE ODYSSEY"

ur 1980 Prom was
Held at the Odys-
sey Club up in
Granada Hills.

This event was one of the highlights of the year for both Juniors and Seniors who attended. There was alot of planning and hard work done to make this event a success. We hope that those who attend-
ed had a memorable experience: Juniors, because it was their first; and, Seniors because it was their last prom at Cathed-
ral. The committee itself was hard at work planning activities to lower the bid of the prom while at the same time mak-
ing the prom itself a memorable one. The moderator, Mr. Amendola, along with the chairmen and committees, were able to make this event a big success.

1. Front row, Lf to Rt: J. Otero, L. Ol-
meda, M. Ramos, Second row, Lf to
Rt: J. Romo, R. Marquez, G. Romo,
W. Terrazas, J. Salazar, M. Venegas, R.
Murrieta, M. Sais, R. Arevalo, Third
row, Lf to Rt: G. Perez, L. Mazadiego,
C. Rodriguez, A. JOaquin, A. Flores, J.
Romero, D. Daniels, C. Padron.
2. Prom Committee chairmen, Lt to Rt:
R. Murrieta, R. Villalobos, R. Arevalo.
3. Other committee members.

SOCIEDAD HONORARIA HISPANICA

Entre tantas asociaciones que hay, tenemos una que se distingue porque trata de mejorar, conservar, y transmitir el idioma español. La Sociedad Honoraria Hispanica da a entender

a todos que hablan otro idioma que vale por dos, porque así uno puede entender mejor su cultura.

El hermano Manuel Vega fundó esta organización en 1977 y hasta la fecha sigue a cargo de ella.

El proceso de admisiones es sencillo: el alumno que esté en tercer o cuarto año en un curso de español avanzado y obtiene una buena calificación, de "A" o "B" solo tiene que firmar su solicitud

en la cual él se compromete a trabajar para conservar y mejorar el español. Después participan en una ceremonia de iniciación festificada con cantos y una cena. Estos nuevos miembros experimentan una nueva sensación de participar en la gran familia Hispana.

Club members: M. Araujo, C. Chavez, H. Cordova, D. Diaz, A. Glavan, A. Garbellini, A. Garcia, C. Herrera, J. Lata, M. Laughon, L. Mazadiego, H. Morales, G. Perez, L. Reyes, E. Rosales, C. Padron, J. Silva, D. Garbellini, J. Gonzales, T. Murcia, J. Paredes, M. Ramos, J. Moreno, V. Gonzalez, G. Lujan, S. Rodarte, J. Romo, M. Saldana, J. Vela, P. Vela, P. Villa, J. Villalobos, M. Venegas, R. Yanez.

COMPUTER

THE MIND
EXPANDS
AS TIME
GOES ON

Advances for the Computer Club this year were in the area of quality programming. The club added to its library of programmed games. Our purpose is to let the students learn basic computer language, then use this knowledge to make programs. This year the Computer Club added five new members to its ranks.

1. Lf-Rt: A. Elias, D. Garbellini, K. Graff, P. Sycip, A. Moya, A. Bernal, R. Benedetti.
2. Br. Chris supervises as Derek takes his turn operating the computer.
3. Derek being mechanical.
4. Karl operating the computer.
5. Working with these machines can be fun.
6. Looking over the T.V. monitor.

SCIENCE

DIGGING INTO THE SCIENTIFIC MEANING OF MANS' EXISTENCE

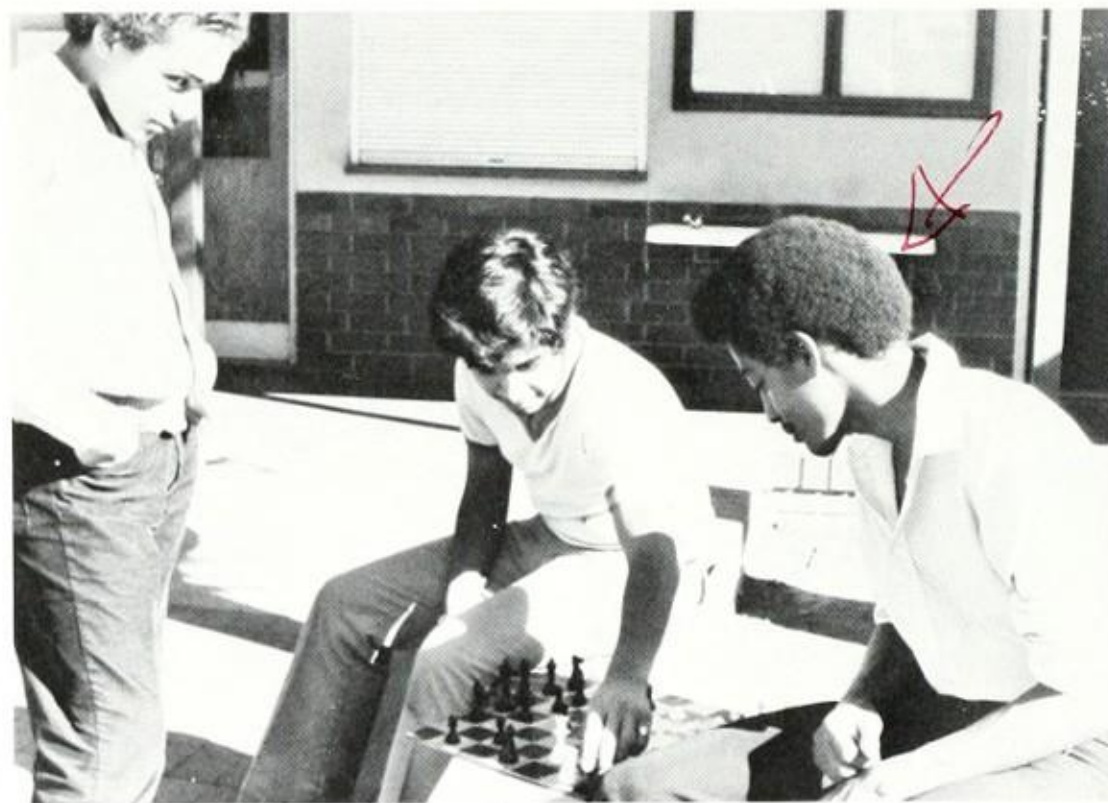

he purpose of the Science Club at Cathedral High School is to inform the studentbody of important scientific information. The club intends to explain what is going on, whether it is nuclear meltdowns, or alternative energy sources. All students must be informed. When Voyager I and II went their long journey through our solar system, we displayed all the pictures furnished to us by J.P.L. All our members this year were fine upstanding students involved in many other activities.

1. First row Lf to Rt: P. Sycip, D. Garbellini, Second row-T. Murcia, A. Garbellini, M. Arajo. Third row-D. Daniels, S. Donelly.
2. Club members discuss the structure of an atom.

NOT JUST A GAME BUT A MIND- BREAKING EXPERIENCE

CHESS

he Chess Club could really be called an exclusive club, because of the membership it has. There have been very few people in it because the matches are played after school. Speaking of the club's past, one can say that seemingly the best players are the Sycip brothers who have had many victories compared to their few defeats.

We hope the club will grow both in number in quality. Many people who want to join the club find it hard to locate it. In the past years the club was under the leadership of Bro Martin, but now Mr. Garcia, is the director of the club. Because most of the members are Seniors we would like the lower division classes could develop an interest in Chess so that the club can be kept alive. For, the club will give Cathedral a fine, proud group of students.

1. K. Graff, P. Sycip, T. Murcia, N. Asmar, R. Martinez, S. King, F. Jimenez.
2. Robert checkmates his opponent.
3. This is the king and this is the queen.
4. Chess anyone?

YEARBOOK STAFF

he yearbook you are reading, is the product of thousands of hours of work on the part of the staff. The staff is proud of its work and hopes that you have enjoyed reading it. The little moments that have been captured by our photographers and the thoughts expressed by our caption writers reflect but a small part of who, we, the Cathedral Phantoms are.

As the years will pass and memories of what we thought "we could never forget" fade, the staff hopes that this production of the Cathedral Chimes will be the catalyst to revive the fun, excitement, disappointments, joys and pain that was 1980. Since the beginning of July '79, when work on the book started, the single motivation that has kept the project alive in the mind of the staff, has been the thought that it would serve this function. Now that all deadlines have passed, and all pages have been submitted, we are certain that this book will be a long remembered success.

1. Ad Drive Staff: Lf-Rt, R. Bernal, B. Urtecho, M. Salinas, P. Arellano.
 2. Cesar tired after a long day.
 3. Buy a Yearbook!
 4. Dedicated members of the yearbook staff Raul and Don.
 5. What should we do Lou?
 6. Frank waits for his picture to be taken.
 7. Benny lending a helping hand.
 8. Cathedral Chimes' main advertiser.
